Wording for the Agenda:

Approval of recommendation by Water System staff that the County enter into an agreement with John Weiland Homes to relocate an access easement to the County's Sandy Creek wetlands mitigation site.

John Wieland Homes has purchased the property next door to the County's mitigation site off Sandy Creek Road and is developing a subdivision; three lots are impacted by our current easement. John Wieland has offered to exchange property and give the County an easement from within the subdivision. The new easement is shorter than the original and will be easier for the County to maintain.
