Subject: 2011 Millage Rate Calculations

To finalize the tax digest and tax bills for 2011, the Board of Commissioners must adopt a millage rate for each tax district. The 2011 millage rates for General Fund maintenance and operations are shown below with and without a rollback of the negative reassessed property values. Also shown are the rollback and recommended rates for Fire and EMS, and the recommended rate for E911. All are compared to 2010 rates.

		Rollback		NO Rollback

E-911 Tax	na	na	na	0.207	0.207

Attached for your reference is a copy of millage rate calculations, one of which includes no rollback, no change in the General Fund millage rate, an increase for the Fire Fund and a decrease for the EMS Fund. The other spreadsheet has included the above changes with the additional impact from the negative property reassessments (rollback). Also included is the layout for the newspaper ad of the 5 year history along with the proposed millage rates for 2011 and resulting net taxes levied. This ad has been based on no rollback. If the Board desires to incorporate the rollback impact we will need to advertise that change on the 2011 taxes levied.

Staff is recommending three public hearings to be held on August 11, 18, and 25, 2011 at 7:00 p.m. The increases in property taxes notices are included for the Fire Fund and the new E911 District Fund and are required to be advertised one week prior to each meeting. The Board will be requested to adopt the millage rates at the August 25, 2011 meeting. George has scheduled his meeting with the State on August 31, 2011.
