Consent Agenda #7

COUNTY AGENDA REQUEST

Department:	Road Department	Presenter(s):	Andy Adams
Meeting Date:	Thursday, May 8, 2014	Type of Request:	Consent

Wording for the Agenda:

Approval of staff's recommendation to award annual Bid #872 to E.R. Snell Contracting of Tyrone, in an amount not to exceed $1,643,319.00, for the purchase of asphalt for Fiscal Year 2015.

Background/History/Details:

Each year, the Road Department contracts for the purchase of various mixes of asphalts as needed. The contract is primarily for a product called Superior Performing Asphalt Pavements (Superpave). Asphalt prices are established based on the Asphalt Cement Price Index (ACPI). Bidders are asked to quote incremental prices for asphalt over a wide range of ACPI values- from an index value of $201 to $900. Given recent price trends and current worldwide factors that influence prices, the relevant portion of the Index for the upcoming year is anticipated to be between $501 and $700.

Invitation to Bid #872 was released to obtain a contract for Calendar Year 2013 (FY2014.) Invitations were direct-mailed to 11 contractors and 90 vendors were notified through the electronic Georgia Procurement Registry. Invitations were also extended via the county's legal organ, the county website, Georgia Local Government Access Marketplace, and Channel 23. After staff review and recommendation, on March 14, 2013, the Board awarded a primary contract to E.R. Snell's Tyrone plant and a secondary contract to C. W. Matthews for asphalt purchases for the calendar year ending December 2013 (FY2014.) On December 12, 2013, the Board approved a six-month extension of the contract with E.R. Snell to expire on June 30, 2014; making it a fiscal year contract. C.W. Matthews had declined to extend their contract. The county has been standardizing effective dates for contracts to facilitate budget planning while simplifying the administrative process. Both companies were offered the opportunity to extend their contracts for six months.

What action are you seeking from the Board of Commissioners?

Staff Notes:

The contract with E.R. Snell was approved on March 14, 2013 for the 2013 calendar year. On December 12, 2013, the Board approved a 12-month extended contract with E.R. Snell, which was ultimately awarded for six months and expires on June 30, 2014 (FY2014.) This six-month contract extension removed subsequent contracts from a calendar year basis to a fiscal year basis. The current request is to extend the contract with E.R. Snell for Fiscal Year 2015, which begins July 1, 2014 and ends June 30, 2015 (FY2015.)

Subject: Bid #872 Extension 2 – Asphalt

Each year, the Road Department contracts for the purchase of various mixes of asphalt as needed. The contract is primarily for a product called Superior Performing Asphalt Pavements (Superpave), which was the result in 1993 of research by the U.S. Strategic Highway Research Program.

Asphalt prices are established based on the Asphalt Cement Price Index (ACPI) maintained by the Georgia Department of Transportation, which is updated every month (please see Attachment #1). Bidders are asked to quote incremental prices for asphalt over a wide range of ACPI values – from an index value of $201 to $900. Given recent price trends and current worldwide factors that influence prices, the relevant portion of the Index for the upcoming year is anticipated to be between $501 and $700 (Attachment #2).

It is recommended that the Board approve the second and final extension of the existing asphalt contract. The timeline and other background of the contract are as follows:

- **ORIGINAL CONTRACT**: Invitation to Bid #872 was released to obtain a contract for Calendar Year 2013. Invitations were direct-mailed to 11 contractors, and 90 vendors were notified through the electronic Georgia Procurement Registry. Invitations were extended via the Fayette News, the county website, Georgia Local Government Access Marketplace (www.glga.org), and Channel 23.

  Since asphalt cannot be hauled long distances from the plant to the road construction site, the number of vendors who can realistically compete is limited. Three vendors submitted bids for asphalt from a total of six plants (Attachment #2). The Board of Commissioners awarded a primary contract to E.R. Snell's Tyrone plant, and a secondary contract to C.W. Matthews' Tyrone Plant, for asphalt purchases for the calendar year ending December 31, 2013.

- **FIRST EXTENSION**: The county has been standardizing the effective dates of as many contracts as feasible, in order to facilitate budget planning and simplify the administrative process. Both companies were offered the opportunity to extend their contracts for six months, to end on June 30, 2014. E.R. Snell agreed to hold their prices firm for that time period, While C.W. Matthews declined. The county extended E.R. Snell's contract (the primary contract) for the six month period.

- **PROPOSED SECOND AND FINAL EXTENSION**: For the fiscal year beginning July 1, 2014 E.R. Snell has agreed to hold their prices firm for a twelve-month second extension, which is the last year the contract can be extended. There will be no secondary contract during that time period. Instead, E.R. Snell has agreed to amend the contract to state that, if they cannot fill the county's needs at the Tyrone plant, they will provide asphalt from the Stockbridge plant at the same contracted price. The proposed not-to-exceed amount is $1,643,319 for the fiscal year.

The Road Department recommends the contract extension, and I support the recommendation.
