COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Parks and Recreation

Department Head: Anita Godbee. C.P.R.P.

Presenter, if needed: Anita Godbee

Preferred Meeting Date: Thursday, October 23, 2008

Wording for the Agenda:

Approval of staff's recommendation to award Proposal # P682 to low bidder Sports Turf Company, Inc. for the McCurry Park Track Resurfacing and Striping Project in the amount of $65,051.00.

Background/History/Details:

The McCurry Park asphalt track was in need of resurfacing and striping due to all the cracks and faded lane lines. Fayette County Public Works Department installed an asphalt base on the track in September in preparation for a new rubberized track surface and lane striping. A request for proposals was issued for installation of a rubberized surface, lane striping, and resurfacing the high jump and long jump areas. Five contractors responded to Fayette County's Invitation for Proposal #P682. The selection criteria was relatively equal among all contractors. Sports Turf Company, Inc. submitted the lowest bid. Due to budget restraints, the recommendation includes only the installation of the Rubberized Synthetic Track System for $54,762.00, installation of the track lane striping for $4,500.00, and resurface/rubberize the running long jump area for $5,789.00. Total cost for this project will be $65,051.00. This is an approved CIP Project.

SUBJECT: Contract Award Recommendation for PROPOSAL #P682
McCurry Park Track Resurfacing

AWARD RECOMMENDATION

Five contractors responded to Fayette County's Invitation for Proposal #P682, McCurry Park Track Resurfacing. Attached is a chart with the various selection criteria. I recommend the contract be awarded to Sports Turf Company, Inc. due their company submitting the lowest bid since all other selection criteria was relatively equal. In order to stay within the budget constraints, I am recommending we only install the porous and rubber Synthetic track system for $54,762.00, install the track line striping and event markings for $4,500.00 and resurface/rubberize the running long jump area for $5,789.00. Total contract amount for this project will be $65,051.00

FINANCING

This project will be funded through the Parks and Recreation Department CIP Budget. The account number designated for McCurry Park Track Refurbishment is #37560110 531171 8005K. The budgeted amount in that particular account is $80,000.
