Presentation / Recognition #4

COUNTY AGENDA REQUEST

Department:	Permits and Inspections	Presenter(s):	Chairman Steve Brown
Meeting Date:	Thursday, February 27, 2014	Type of Request:	Presentation/Recognition

Wording for the Agenda:

Recognition of Fayette County Plans Examiner Steve Tafoya who has recently accepted appointment by the Board of International Professional Standards to the Mechanical Exam Development Committee as a full member, with said appointment beginning January 1, 2014 and expiring December 31, 2016.

Background/History/Details:

Recently, Plans Examiner Steve Tafoya, of the Permits and Inspections Department, was notified by the ICC Board of International Professional Standards that he had been appointed to the Mechanical Exam Development Committee. These members create the questions used for the Commercial Mechanical Inspector Certification exam. Inspectors, architects, engineers, and building officials who are selected for appointment to an ICC Committee represent the highest level of qualifications and experience in their fields. Only seven members are selected Nationally to serve on the Mechanical Exam Development Committee. Steve's appointment to this Committee speaks volumes concerning his Code knowledge and professionalism, and it reflects positively on him, on the Permits and Inspections Department, and on Fayette County.

Full membership on the Mechanical Development Committee will require Steve to travel to Birmingham, Alabama once a year for their annual meeting, and will require occasional time away from his duties as Plans Examiner to attend conference-call meetings, webinars, etc. All costs incurred will be reimbursed to Fayette County by the ICC.

What action are you seeking from the Board of Commissioners?

Recognize Fayette County Plans Examiner Steve Tafoya who has recently accepted appointment by the Board of International Professional Standards to the Mechanical Exam Development Committee as a full member.
