COUNTY DEPARTMENT AGENDA REQUEST

Department:	Road	Presenter(s):	Andy Adams
Meeting Date:	Thursday, April 14, 2011	Type of Request:	Consent

Wording for the Agenda:

Approval of staff's recommendation to award Bid #785 to Traffic Markings, Inc as primary vendor and to Peek Pavement Markings LLC as secondary vendor for an annual contract for roadway striping and pavement marking services to be used on various construction and road maintenance projects, in an amount not to exceed $130,000.

Background/History/Details:

Three bids were received in response to this bid. All bids indicated a modest price increase from calendar year 2010.

This bid is used to procure the services of a pavement marking contractor that can be used through the remainder of the calendar year on various road construction and road maintenance projects. An annual contract will expedite the process of obtaining these services in a timely manner. If approved, this annual contract will expire December 31, 2011.

Based on prior years activity and projected projects, a contract not-to-exceed amount of $130,000 is recommended for this contract.

As a member of Two Rivers RC&D Council we are able to acquire services directly from Two Rivers that are provided to members only. This would include line striping and RPM's in conformance with DOT specifications. In cases where we could use their services at a lower cost it would be our intent to do so.

What action are you seeking from the Board of Commissioners?

Award of Bid #785 for an annual contract for roadway striping and pavement marking services to Traffic Markings, Inc. as primary vendor and to Peek Pavement Markings LLC as secondary vendor, in an amount not to exceed $130,000

If this item requires funding, please describe:

Funding for pavement markings is budgeted annually in the Road Department's O&M account 10040220-521316.

Subject: Bid #785, Pavement Markings

Sealed bids were requested for the subject item. A bid talley sheet is attached for your review.

In the attached recommendation from Andrew Adams, the overall low bidder on sample projects, Traffic Markings, Inc., was recommended as the primary supplier. The overall low bidder on individual items, Peek Pavement Markings, was recommended as the secondary supplier. I concur with Andrew's recommendation, pending receipt of the required insurance and bonds. The total not to exceed amount for Pavement Markings is $130,000 as per the attached email from Andy Adams.

If this recommendation meets your approval, please place this item on the next available consent agenda. If any additional information is needed, please let me know.

SUBJECT: Bid Recommendation – Pavement Markings Services - Bid # 785

The Road Department has reviewed the three (3) responses to bid #785, Pavement Markings, opened on March 15, 2011. We reviewed each bid to verify that reasonable unit prices had been submitted, then applied their bid prices to actual projects done within the past year. This exercise was done for each company that submitted a bid. The results consistently showed Traffic Markings, Inc as the lowest price for the sample projects while Peek Pavement Markings was the lowest price on many of the individual items quoted. Therefore, we recommend accepting the bid of Traffic Markings, Inc. for primary vendor and Peek Pavement Markings, LLC as secondary vendor. We recommend a not-to-exceed annual contract amount of $130,000.
