Subject: Bid #783, Turnout Gear

Sealed bids were requested for the subject item. A bid tally sheet is attached for your review.

In Tom Bartlett's attached recommendation, the lowest bidder that meets the specifications and the requirements of the department for each item is recommended. I concur with Tom's recommendation.

Five different companies are being recommended for award. Those companies are, Bennett Fire Products, Fireline Inc., Fisher Scientific Company, LLC, NAFECO and Ten 8 Fire & Safety Equipment of GA.

There are 16 line items on this bid, and since the items are ordered as needed, it is impossible to determine the exact quantity of every item that will be needed during the year. Therefore, a total dollar amount for each company can not be predetermined. The not-to-exceed amount for turnout gear is $70,000.

If this recommendation meets your approval, please place this item on the next available consent agenda. If any additional information is needed, please let me know.
