COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Buildings and Grounds Maintenance

Department Head: Greg Ownby

Presenter, if needed: Tony Parrott

Preferred Meeting Date: April 9, 2009

Wording for the Agenda:

Consideration of a request by the Fayette Heritage Project that the Buildings and Grounds Department be allowed to build and install corner and gate posts at the county-owned Phillips Cemetery on Davis Road with materials provided by the Heritage Project.

Background/History/Details:

Fayette County owns the Phillips Cemetery on Davis Road. This property was deeded to the County by Amanda Davis and is recorded in Deed Book K page 205. The first dated gravestone is Luella Adams daughter of B. and M. Adams, Apr 3, 1856 - Feb 28, 1860.

The vacant property around the cemetery will become a subdivision in the future. The Heritage Project would like to pay for the materials necessary to build block 24" X 24" corner post with a concrete cap at each corner of this property and on each side of the driveway going in. These would be similar to those at the entrance to Lake Horton Park. We are asking that since it is county property, Building and Grounds be allowed to construct these markers with the Heritage Project buying the materials. The cemetery was surveyed years ago and property pins were set.

What action are you seeking from the Board of Commissioners?

Approval for Buildings and Grounds Department to build and install corner posts at the county-owned Phillips Cemetery, using materials provided by the Fayette Heritage Project.
