COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Road Department

Department Head: Phil Mallon

Presenter, if needed: Zack Taylor

Preferred Meeting Date: Thursday, April 9, 2009

Wording for the Agenda:

Approval of staff's recommendation to award annual Bid #701 to Pittstop Enterprises as the primary provider and Lester Peek Grading and Hauling, Inc. as the secondary provider for hauling services.

Background/History/Details:

These hauling services will be used by Fayette County during calendar year 2009, to supplement daily tonnage production, as needed, on paving and grading projects. Seven companies responded to the invitation to bid. Pittstop Enterprise and Lester Peek Grading & Hauling were the low bidders.

The County owns trucks and routinely hauls gravel, etc. to job sites, however, during peek paving/resurfacing times, the County supplements the capabilities of its own fleet in order to expedite completion of paving projects. This is an annual contract.
