COUNTY AGENDA REQUEST

Department:	Fire and Emergency Services	Presenter(s):	Allen McCullough
Meeting Date:	Thursday, October 13, 2011	Type of Request:	Consent

Wording for the Agenda:

Approval of staff's request for authorization to trade twenty-six sets of firefighter's turnout coats and thirty-three pairs of turnout pants that are no longer usable, to Gloves, Inc. for a credit of $1,475.00 toward the County's ongoing current turnout cleaning costs.

Background/History/Details:

Fire Services currently has 26 turnout coats and 33 pair of turnout pants that are surplus. These are no longer usable due to their condition or they are over the 10 year life span as recommended by NFPA. The cleaning company (Gloves, Inc.) the County uses has offered a $25 per piece credit on the current cleaning bill. They will use some of the material and attachments to make repairs to other gear.

We are not able to send this gear to Georgia Forestry as has been done in the past, because of the condition of the gear.

These pieces are non-asset inventory and are not tracked in the County inventory system since they have a short useful life. In summary, we need to dispose of this gear and Gloves, Inc. is offering $25 per piece in credits for their services. The total credit to the County will be $1,475.00
