Subject: Bid #811, Miscellaneous Items of Concrete Work

The Purchasing Department released Invitation to Bid #811 to obtain a contract for the purchase of miscellaneous items of concrete work for the Road Department. Invitations to bid were direct-mailed to 26 vendors. Invitation was also extended through a local newspaper, the county's website, and the Georgia Local Government Access Marketplace (www.glga.org).

Three vendors submitted bids (please see the attached tally). Curb Specialists, Inc. was the overall lowest bidder. They also submitted the lowest bids on the largest number of items. At the prices submitted, they requested that their bid be considered as a whole. Given this, if the county rejected their bid and accepted the lowest individual bids of the remaining two vendors by item, the total cost would still be higher.

The Purchasing Department supports the recommendation of Curb Specialists, Inc. to supply the listed items of concrete work.
