COUNTY AGENDA REQUEST

Department:	Public Works SPLOST	Presenter(s):	Phil Mallon
Meeting Date:	Thursday, December 15, 2011	Type of Request:	Consent

Wording for the Agenda:

Approval of staff's recommendation to award Bid #807 Heavy Equipment Rental, to Naser Heavy Equipment, Inc. the apparent low bidder in the amount of $52,650 for the 8 month rental of a CAT D4 or equal Dozer and a CAT 330 or equal Track Hoe.

Background/History/Details:

Phase II, Section I (between end of Phase I and Eastin Road) of the West Fayetteville Bypass (a.k.a. Veterans Parkway) is under construction by Fayette County staff with completion scheduled for Summer 2012. The purpose of this agenda request is to establish a lease agreement for two key pieces of equipment that will be needed to complete grading activities.

To-date, this equipment has been shared with the Road Department, however, as the Road Department starts work on the Snead Road Capital Project, conflicting demands for equipment will impede progress and hurt efficiencies on both projects if additional equipment is not available.

With project tasks that remain on the Bypass over the next 8-month period, productivity and schedule objectives are dependent on availability of a CAT D4 or equal Dozer and CAT 330 or equal Track Hoe. Bids were obtained for the needed rental equipment per Bid #804 specifications. Four (4) bids were received, reviewed and a recommendation of award made to the apparent low bidder in the amount of $17,900 for the CAT D4 or equal Dozer and $34,750 for the CAT 330 or equal Track Hoe. The total of these two equipment pieces is $52,650.00.

What action are you seeking from the Board of Commissioners?

Approval of staff's recommendation to award Bid #807 Heavy Equipment Rental, to Naser Heavy Equipment, Inc. the apparent low bidder in the amount of $52,650.00 for the 8-month rental of a CAT D4 or equal Dozer and a CAT 330 or equal Track Hoe.

Subject: Bid #807, Heavy Duty Equipment Rental

The Purchasing Department issued Invitation to Bid #807 for rental of heavy-duty equipment for Public Works. Invitations were direct-mailed to 20 vendors. In addition, invitations were extended via a local newspaper, the county website, and Georgia Local Government Access Marketplace (www.glga.org). The updated project schedule shows that the equipment will be needed for 32 weeks.

Four vendors submitted proposals (please see the attached tally sheet). Naser Heavy Equipment, Inc. offered the lowest prices for the two pieces of equipment that will be needed – a Caterpillar D-4 LGP dozer at $17,900 and a Caterpillar 330 track hoe at $34,750.

I concur with Public Works' recommendation to rent the equipment from Naser Heavy Equipment, Inc.
