COUNTY AGENDA REQUEST

Department:	Public Works	Presenter(s):	Phil Mallon
Meeting Date:	Thursday, December 15, 2011	Type of Request:	New Business

Wording for the Agenda:

Consideration of staff's recommendation to reaffirm the official name of "Brooks Woolsey Road" / "Woolsey Brooks Road" as Brooks Woolsey Road.

Background/History/Details:

Brooks Woolsey Road is 4.1-mile minor arterial that runs from Antioch Road to Highway 85 Connector in Brooks. There are 70 assigned addresses along the road and it's right of way is 80 feet wide. Over time, two names have been used interchangeably for this road: Brooks Woolsey Road and Woolsey Brooks Road. The purpose of this agenda request is to establish the official name as Brooks Woolsey Road. The clarification is primarily requested for Fayette County E911 Communications and concerns over emergency response, although a consistent road name has many secondary benefits beyond E911.

The name Brooks Woolsey Road is recommended over Woolsey Brooks Road for three reasons: First, existing, assigned addresses are split 50/50 between the two road names, so a conversion to one name will impact the same number of property owners in either case. Second, existing streets name signs at intersections along the road currently all use Brooks Woolsey Road. Third, the name Brooks Woolsey is the more commonly used name among staff from various Departments, including the Road Department.

Attached as back-up to this request is a graphic showing property address breakdown along the road and photographs of two road signs (note for the property address figure, the totals hand-written on the drawing were preliminary and do not reflect final breakdown of 50 percent each).

What action are you seeking from the Board of Commissioners?

Confirmation of "Brooks Woolsey Road" as the official name of the minor arterial connecting Antioch Road and Highway 85 Connector.

If this item requires funding, please describe:

No funding is required.

Has this request been considered within the past two years?	No	If so, when?	
Is Audio-Visual Equipment Required for this Request?	No	Backup Provided with Request?	Yes

STAFF USE ONLY

Approved by Finance	Not Applicable	Reviewed by Legal	Yes
Approved by Purchasing	Not Applicable	County Clerk's Approval	Yes
Administrator's Approval	Yes		

Staff Notes:
