Wording for the Agenda:

Discussion of appointing the 2013 Fayette County Legislative Coordinator.

Background/History/Details:

In 2010, the Association of County Commissioners Georgia (ACCG) established a network of county legislative coordinators to h help improve communications with members while the Georgia General Assembly is in session. Each county was asked to designate a county legislative coordinator who serves in two primary roles: 1) to help keep commissioners and county management updated on legislation of importance to counties, and 2) to provide county-specific information to the ACCG in order to help legislators assess the impact of proposed legislation.

In the past, County Administrator Jack Krakeel has served as Fayette County's Legislative Coordinator. On December 5, 2012, the Board appointed Commissioner Allen McCarty to serve as temporary Legislative Coordinator until the end of 2012.
