COUNTY AGENDA REQUEST

Department:	Road Department	Presenter(s):	Andy Adams
Meeting Date:	Thursday, March 14, 2013	Type of Request:	Consent

Wording for the Agenda:

Approval of staff's recommendation to award annual Bid #872 to E.R. Snell Contracting of Tyrone as the primary vendor, to C.W. Matthews, Inc. of Tyrone as the secondary vendor, and to C.W. Matthews, Inc. of Forest Park as a backup vendor for the purchase of asphalt for the 2013 calendar year, in an amount not to exceed $2,660,000.00, and authorization for the Chairman to sign the contracts.

Background/History/Details:

Each year, the Road Department contracts for the purchase of various mixes of asphalt as needed. To that end, the Purchasing Department released Invitation to Bid #872 to procure an agreement for asphalt purchases for the calendar year ending December 31, 2013.

Notices of the opportunity to bid were direct mailed to eleven (11) contractors, and the opportunity was extended via Fayette Daily News, the county's website, Georgia Local Government Access Marketplace (www.glga.org) and Channel 23. Moreover, the Purchasing Department has recently began expanding the number of directly contacted vendors through the Georgia Procurement Registry, or GPR. By utilizing GPR, ninety (90) recipients were electronically notified of an opportunity to bid; meaning 101 vendors received notification either electronically or by mail. Three vendors, representing six plants, responded to the invitation to bid.

Asphalt prices are established on the Asphalt Cement Price Index which is maintained by GDOT. Based on recent trends, the relevant Index range is anticipated to be between $501 - $700 dollars. Within that range, E.R. Snell has bid the lowest prices (See Attachment D). The Road Department recommends low bidder E.R. Snell for the primary contract, C.W. Matthews' Tyrone plant for a secondary contract, and C.W. Matthew's Forest Park plant as a backup contract should the primary and secondary vendors not be available.

What action are you seeking from the Board of Commissioners?

Approval of staff's recommendation to award annual Bid #872 to E.R. Snell Contracting of Tyrone as the primary vendor, to C.W. Matthews, Inc. of Tyrone as the secondary vendor, and to C.W. Matthews, Inc. of Forest Park as a backup vendor for the purchase of asphalt for the 2013 calendar year, in an amount not to exceed $2,660,000.00, and authorization for the Chairman to sign the contracts.

If this item requires funding, please describe:

See backup material (Attachment C) for funding sources.

Has this request been considered within the past two years?	No	If so, when?	
Is Audio-Visual Equipment Required for this Request?*	No	Backup Provided with Request?	Yes

**** All audio-visual material must be submitted to the County Clerk's Office no later than 48 hours prior to the meeting. It is also your department's responsibility to ensure all third-party audio-visual material is submitted at least 48 hours in advance.***

Approved by Finance	Yes	Reviewed by Legal	
Approved by Purchasing	Yes	County Clerk's Approval	Yes
Administrator's Approval			

Staff Notes:

Staff reserves the ability to purchase asphalt from the C.W. Matthews' Forest Park Plant if the total cost to a specific project, considering hauling, is cheaper.

Subject: Bid #872 – Asphalt

Each year, the Road Department contracts for the purchase of various mixes of asphalt as needed. The contract is primarily for a product called Superior Performing Asphalt Pavements (Superpave), which was the result in 1993 of research by the U.S. Strategic Highway Research Program.

The Purchasing Department released Invitation to Bid #872 to procure an agreement for asphalt purchases for the calendar year ending December 31, 2013. Notices of the opportunity to bid were direct-mailed to 11 contractors. In addition, invitations were extended via the Fayette News, the county website, Georgia Local Government Access Marketplace (www.glga.org), and Channel 23.

The Purchasing Department has recently begun expanding the number of directly contacted vendors through the Georgia Procurement Registry. This is a web-based system used by the state of Georgia to post and advertise solicitations. Since asphalt cannot be hauled long distances from the plant to the road construction site, the number of vendors who can realistically compete is limited. It was decided to use the Registry to determine if there were any available vendors who had not been reached by traditional efforts. The Register sent electronic notices to 90 recipients.

Three vendors submitted bids for asphalt from a total of six plants. One of the bids was from a vendor notified through the Georgia Procurement Registry.

Asphalt prices are established based on the Asphalt Cement Price Index maintained by the Georgia Department of Transportation, which is updated every month (please see the attachment). Based on recent trends, the relevant Index range is anticipated to be between $501 and $700. Within this range, E.R. Snell Contractor has bid the lowest prices. The Road Department recommends the lowest bidder, E.R. Snell's Tyrone plant, for the primary contract. The Department recommends the second-lowest bid, from C.W. Matthews' Tyrone plant, for a secondary contract.

The Department recommends a backup contract be awarded to the C.W. Matthews' Forest Park plant, in case the primary and secondary contracted vendors are not available. The backup contract would include the five mixtures of Superpave asphalt. A backup contract is not recommended for 4.75 mm asphalt, because the Road Department does not use that mixture often.

The Purchasing Department supports the Road Department's recommendations.
