CATEGORY 4. "Stock in Trade of a Fulfillment Center" meaning goods, wares, and merchandise held by one in the business of making sales of such goods when such goods are held or stored at a fulfillment center and held less than 12 months and which is made available to REMOTE purchasers who purchase by electronic, internet, telephonic, or other REMOTE means, and where such stock will be SHIPPED from the center to a location other than the fulfillment center. For the purpose of Freeport Level 1: "Finished Goods" means goods, wares, and merchandise of every character and kind but shall not include unrecovered, unextracted, or unsevered natural resources or raw materials or goods in the process of manufacture or production or the Stock-in Trade of a Retailer. "Stock in Trade of a Retailer" means finished goods held by one in the business of making sales of such goods at retail in this state, within the meaning of Chapter 8 of Title 48, when such goods are held or stored at a business location from which such retail sales are regularly made. Goods stored in a warehouse, dock, or wharf, including a warehouse or distribution center which is part of or adjoins a place of business from which retail sales are regularly made, shall not be considered stock in trade of a retailer to the extent that the taxpayer can establish, through a historical sales or shipment analysis, either of which utilizes information from the preceding calendar year, or other reasonable, documented method, the portion or percentage of such goods which is reasonably anticipated to be shipped outside this state for resale purposes. "Stock in Trade of a Fulfillment Center" means goods, wares, and merchandise held by one in the business of making sales of such goods in this state and which includes goods, wares, and merchandise of every character and kind constituting a business' inventory that would not otherwise qualify for a Level 1 freeport exemption 9. SUPPORTING INFORMATION: a. Physical location of inventory in this county. (List) b. Does th
