FOR IMMEDIATE RELEASE:

Fayette County Volunteer Water Guardians Lake Clean-up Project

Fayette County, Georgia, June 6, 2017 – The Fayette County government is announcing its eighth event for local residents with kayaks and canoes to assist with cleaning our water reservoirs. The program is called Water Guardians and the lake clean-up will occur on **Saturday, June 17 from 8:00 a.m. to 11:00 a.m.**

The target area is Lake Kedron in Peachtree City off of Peachtree Parkway. It is vitally important to keep local water reservoirs clean of pollutants. There is also a need for people without kayaks and canoes to pick-up trash on the banks and park grounds.

The county government will supply bottled water, trash bags and trash grabbers for picking up trash from the lake.

Each participant who signs-up for the Lake Kedron project by June 12th will receive a free Water Guardians t-shirt.

In accordance with lake rules, no one under age 14 is allowed to operate a kayak or canoe solo. All participants must have a life vest and everyone will be asked to sign a liability waiver in order to take part in this exciting new event.

There is also a need for small jon boats to bring the full trash bags back to the boat docks.

To register for this event, send an email to WaterGuardians@fayettecountyga.gov and include your name, daytime phone number, contact email address and t-shirt size.

In the event of rain, a make-up date will be sent by email to all registrants.

Other lake clean-ups will be announced in the coming months.
