FOR IMMEDIATE RELEASE:

Antioch and Goza Roads get Four-Way Stop Install

Fayette County, Georgia, November 16, 2017 – In recent months the Fayette County Board of Commissioners have heard from citizens about traffic concerns at the intersection of Antioch Road and Goza Road. At the October 26 board meeting the commissioners unanimously voted for staff to install a four-way stop as an interim ongoing safety measure.

The four-way stop was completed on November 16 and will serve as a temporary measure to decrease accidents while county staff continues to move forward with the commissioners' most recent vote to proceed with a standard roundabout concept and design for this intersection.
