Honorable Sheriff Barry Babb  
145 Johnson Avenue  
Fayetteville, GA 30214

**RE: Antioch and Goza Roads**

Dear Sheriff Babb:

I wanted to take this opportunity to thank you for your immediate response to the Board of Commissioners request to have speed surveillance on Antioch and Goza Roads, to enforce the speed limit and to provide officer presence in the area to help make travelers alert while approaching this intersection.

During the Board of Commissioners August 24, 2017 meeting, we listened to a host of concerns, near accident misses and tragic accidents; including fatalities. Based on the findings presented and the testimonies provided, the Board has directed staff to move forward with an engineering study to fast-track the project, to implement cautionary signage in the area and to deem this intersection a top priority project for implementation to remedy the problems.

The Board would like to thank you for recognizing the severity in finding immediate solutions to this problem by providing the speed surveillance as requested and for being a part of ensuring our citizens that we care about their safety and concerns.

Again, thank you!

Best regards,
