

TINY TUNES “MUSIC TIME”

Tiny Tunes Music Time is a parent/child music and movement program that features the curriculum of Atlanta’s very own “The Music Class.” This is a national award winning music education program that offers playful and creative music and movement class for children from birth through 7 years of age. “Tiny Tunes Music Time” has brought this amazing curriculum to the south communities of Atlanta, Georgia. Families are making their way to these fun, stimulating, and educational classes for children 6 months – 5 years. Classes are attended with parents, and are led by music & early childhood educators. Through the use of special songs and activities, your child will be introduced to a wide variety of musical scales, rhythms, instruments and styles that will provide a foundation and help stimulate musical growth at even the earliest ages.

MIND UP

MindUp is an evidenced based, social, and emotional program of The Hawn Foundation built upon neuroscience, positive psychology, mindful awareness training, and self-regulation. The 12 lessons (6 per session) offer easy strategies for helping students focus their attention, improve their self-regulation skills, learn calming techniques, build resilience to stress, and develop a positive mind-set. The curriculum uses research-based lessons with the latest information about the brain to improve behavior and learning. It is shown to enhance perspective taking, self-regulation, and social skills. Instruction methods include games, stories, and movement (not lectures). Attendance at both sessions is recommended to optimize learning these skills, but it is not required.
