Application for Artists

General Information

- Participants will be assigned a chalk block in which to create a unique work of art. Come out and express your creativity at this fun community event. Everyone is welcome!
- One box of chalk will be provided for each participant. Artists are welcome and encouraged to bring your own materials to add variety (ie: charcoal will give you a dark black, chalk pastels will give you brighter/more vivid colors, etc.) You are encouraged to bring your own chalk. All chalk must be water based. Permanent media are prohibited. All supplies must be presented at check in for inspection. Artists will be allowed to use tempera as a base coat this year but must provide their own materials, buckets and rollers.
- Creativity is encouraged but the art **must** be appropriate for viewing by the public, families, and children. No words or symbols intended as political statements, demonic images, logos, product or business advertising is allowed. If your reference image holds a copyright or is based on someone else's work, credit must be given to the original artist. The FCPAC or City of Tyrone designate reserves the right to refuse, stop, or eliminate objectionable material and their opinion will be final.
- Artists will be given 1 (one) 8x8 space to create their work. Please be aware of other artists around you and stay in your assigned square. Please be courteous, friendly, and respectful to other artists and members of the public.
- Further instructions and guidelines will be emailed to you once your application has been received.
