Guidelines for Age-Specific Programs

The goal for our age-specific programs is to provide a developmentally-appropriate space for children. We understand that this can be challenging with children of multiple ages in the family, so we have intentionally created multi-age programs and as flexible as possible guidelines to help meet your family's needs and our program goals.

Younger and older siblings can attend most of our programs as long as they are not disruptive. At least one child you bring should be in the age-group for program.

Reading Challenges

Thank you to everyone who participated in our Fayette Kids Read Fall Challenge. We have two ongoing challenges that are still in progress: 1000 Books Before Kindergarten for ages 0-5 and Wild Readers of Fayette County for ages 6-13. Stay tuned for information about our Fayette Kids Read Spring challenge coming in 2020.

Community-Sponsored Programs

Baby Dayzz: Parents of babies 0-12 months are invited to join Piedmont Hospital for an informative program. **Second Tuesday of the month from 10:30 a.m.**

CAREing Paws: Practice your reading skills by signing up to read with OREO or GRACIE. **Requires sign-up.** See calendar. (Ages 6+)

MG SPROUTS is a Master Gardener Extension Volunteer-led horticulture program for youth ages 6-8. Groups read a garden-related story aloud and explore the world of plants through hands-on horticulture, writing, games and other fun activities. Stay tuned in this space for a new session starting in the spring of 2020.

Family and Multi-Age Programs
