Guidelines for Age-Specific Programs

The goal for our age-specific programs is to provide a developmentally-appropriate space for children. We understand that this can be challenging with children of multiple ages in the family so we have intentionally created multi-age programs and as flexible as possible guidelines to help meet your family's needs and our program goals.

- Babies in a carrier, stroller or on a lap can attend Time for Twos or Treasure Time as long as they are attending with a child who is the right age for the program. However, be sure to also check out Baby Time and Sing and Play which are both programs that include babies! Sing and Play is a multi-age program that all ages can enjoy together.
- Active (not in a carrier or on a lap) younger siblings cannot attend our age-specific programs, but check out our family and multi-age programs for options where all ages can attend together.
- Older siblings may attend our age-specific programs as long as they are not disruptive.
*Most of our programs require an adult to attend with the child. Programs with an asterisk are geared for children to attend independently. Younger siblings cannot attend these programs. Parents should remain in the library during the program.

Community-Sponsored Programs

Baby Dayzz: Join Ms. Jess and Charlotte for a time of lap rhymes and songs for babies followed by an informative program arranged by Piedmont Hospital. **Second Tuesday of the month from 9:30-11 a.m.**

CAREing Paws: Practice your reading skills by signing up to read with MOOSE. See calendar for dates and times. (Ages 6 and up)
