### Project Description

This is an existing, federal-aid, design-build project installing 1.5 miles of new multi-use path along Redwine Road. When complete, there will a continuous path along Redwine Road from Birkdale Drive to Panther Path. The project will also include an at-grade crossing of Redwine Road near the Birkdale Drive and Quarters Road intersection.

The project expands the existing path system, providing convenient and safe transportation alternatives. Common path uses include trips to school, church, neighbors, shopping, dining, golf, exercise, etc.

The project is currently in the land acquisition phase by the County. It will be advertised and awarded for design-build/construction by GDOT.
