

FAYETTE COUNTY POOL BARRIER AFFIDAVIT

As owner of the property located at:

_____ , _____ , _____ , _____
(Address) (City) (State) (Zip)

I have read and understand the **Fayette County Pool Barrier Guide**:

I am aware of the requirements for the enclosure of a swimming pool in accordance with Section 305 of the International Swimming Pool and Spa Code (ISPSC) titled BARRIER REQUIREMENTS, which have been adopted by Fayette County (https://fayettecountyga.gov/building_permits/pdf/Swimming-Pool-Aquatic-Barrier-Guide.pdf).

All swimming pools are required to have a barrier in place prior to filling the pool with water and the barrier/gates must conform to the latest State of Ga. adopted version of the International Swimming Pool and Spa Code (ISPSC). All doors /windows with direct access to the pool, where the wall acts as a barrier, shall be equipped with approved window / door alarms. It is the **responsibility of the permittee** to schedule and obtain approval for all required inspections including the final pool inspection. All barriers / gates / alarms will be inspected at the time of the final pool inspection. **Failure to schedule or obtain approval for the final pool inspection will deem the pool as unsafe** and a certificate of occupancy will not be issued which could lead to potential enforcement action.
