National Youth Sports Association/Heartsaver CPR with AED

Fayette County Parks and Recreation Department encourages associations to require all sport coaches to attend coaching clinics and the Heartsaver CPR with AED. Staff regularly conduct National Youth Sports Association (NYSCA) Clinics for each sport throughout the year. The Fayette County Parks and Recreation Department also regularly conducts Heartsaver CPR with AED clinics as needed.

Background Checks

Background checks must be conducted on all board members, coaches, and officials prior to the beginning of the season. Background checks must be approved prior to working/coaching/officiating with any minor. Fayette County assists in conducting these background checks, and a copy of drivers license should accompany the application.
