INTRODUCTION

ITB #26136-B: Traffic Signal - Banks Road @ Ellis Road Construction

This project is for the installation of a traffic signal at the intersection of Banks Road and Ellis Road. The purpose of this project is to alleviate congestion on Banks Road and Ellis Road during the AM and PM peak hours and reduce crashes. Banks Road and Ellis Road are owned and operated by Fayette County.

Fayette County has all the necessary fee-simple right-of-way for the construction of this project. All work is to be performed within these areas as shown in the project plans. This project is fully funded through Fayette County's 2017 Special Purpose Local Options Sales Tax (SPLOST).

GENERAL TERMS AND CONDITIONS

ITB #26136-B: Traffic Signal - Banks Road @ Ellis Road Construction

1. **Definitions:**
 - a. **Bidder:** A company or individual who submits a bid in response to this Invitation to Bid.
 - b. **Successful Bidder:** The company or individual that is awarded a contract.
 - c. **Contractor:** The Successful Bidder, upon execution of the contract.
 - d. **County:** Fayette County, Georgia.
2. **Bid is Offer to Contract:** Each bid constitutes an offer to become legally bound to a contract with the County, incorporating the Invitation to Bid and the bidder's bid. The binding offer includes compliance with all terms, conditions, special conditions, specifications, and requirements stated in the Invitation to Bid, except to the extent that a bidder takes written exception to such provisions, and the County agrees to the exception. All such terms, conditions, special conditions, specifications, and requirements will form the basis of the contract. The bidder should take care to answer all questions and provide all requested information, and to note any exceptions in the bid submission. Failure to observe any of the instructions or conditions in this Invitation to Bid may result in rejection of the bid.
3. **Binding Offer:** To allow sufficient time for a contract to be awarded, each bid shall constitute a firm offer that is binding for ninety (90) days from the date of the bid opening to the date of award.
4. **Bidder's Questions:** As appropriate, the County will post answers to questions and/or other information concerning the Invitation to Bid in the form of an addendum on the County's website at www.fayettecountyga.gov. It is the responsibility of the prospective bidder to check the website for any addenda issued for this Invitation to Bid.
5. **References:** Include with your bid a list of three (3) jobs that your company has done that are of the same or similar nature to the work described in this Invitation to Bid, on the form provided. Include all information as requested on the form.
6. **Bid Submission:** Submit your bid, along with any addenda issued by the County, in a *sealed* opaque envelope. Mail or deliver one (1) original bid, signed in ink by a company official authorized to make a legal and binding offer, and one (1) copy on a flash drive, to:

Fayette County Government
Purchasing Department
140 Stonewall Avenue West, Suite 204
Fayetteville, GA 30214

Bid Number: 26136-B

Bid Name: Traffic Signal - Banks Road @ Ellis Road Construction

Also show your company name on the envelope. You may submit sealed bids in person, by U.S. mail, or by a commercial carrier. Do not submit bids by facsimile, e-mail, or other electronic means. Once submitted, all bids become the property of Fayette County.

7. **Bid Preparation Costs:** The bidder shall bear all costs associated with preparing the bid.
8. **Late Bids:** Bids not received in the Purchasing Department by the time and date of the scheduled bid opening will not be considered.
9. **More than One Bid:** Do not submit alternate bids or options, unless requested or authorized by the County in the Invitation to Bid. If a responder submits more than one bid without being requested or authorized to do so, the County may disqualify the bids from that responder, at the County's option.
10. **Bid Corrections or Withdrawals:** The bidder may correct a mistake, or withdraw a bid, before the bid opening by sending written notification to the Director of Purchasing. Bids may be withdrawn after the bid opening only with written authorization from the Director of Purchasing.
11. **Defects or Irregularities in Bids:** The County reserves the right to waive any defect or irregularity in any bid received. In case of a discrepancy between unit prices and extended prices, the unit price will govern unless the facts or other considerations indicate another basis for correction of the discrepancy.
12. **Prices Held Firm:** Prices bid shall be firm for the period of the contract, unless otherwise specified in the contract. All prices bid for commodities, supplies, equipment, or other products shall be quoted FOB Destination, Fayette County or job site.
13. **Non-Collusion:** By responding to this Invitation to Bid, the bidder represents that the bid is not made in connection with any competing bidder, supplier, or service provider submitting a separate response to this Invitation to Bid and is in all respects fair and without collusion or fraud.
14. **Bid Evaluation:** Award will be made to the lowest responsive, responsible bidder, taking into consideration payment terms, vendor qualifications and experience, quality, references, any exceptions listed, and/or other factors deemed relevant in making the award. The County may make such investigation as it deems necessary to determine the ability of the bidder to perform, and the bidder shall furnish to the County all information and data for this purpose as the County may request. The County reserves the right to reject any bid item, any bid, or all bids, and to re-advertise for bids.
15. **Unbalanced bid:** If the County determines that the apparent low bid is materially unbalanced, the County retains the right to deem the apparent low bid non-responsive,

and to reject said bid and award to the next-lowest bidder whose bid is not materially unbalanced, or to reject any and all bids and re-advertise the project.

16. **Trade Secrets – Confidentiality:** If any person or entity submits a bid or proposal that contains trade secrets, an affidavit shall be included with the bid or proposal. The affidavit shall declare the specific included information which constitutes trade secrets. Any trade secrets must be either (1) placed in a separate envelope, clearly identified and marked as such, or (2) at a minimum, marked in the affidavit or an attached document explaining exactly where such information is, and otherwise marked, highlighted, or made plainly visible. See O.C.G.A. § 50-18-72 (A)(34).
17. **Trade Secrets – Internal Use:** In submitting a bid, the bidder agrees that the County may reveal any trade secret materials contained in the bid to all County staff and officials involved in the selection process, and to any outside consultant or other third parties who may assist in the selection process. The bidder agrees to hold harmless the County and each of its officers, employees, and agents from all costs, damages, and expenses incurred in connection with refusing to disclose any material which the bidder has designated as a trade secret.
18. **Ethics – Disclosure of Relationships:** Before a proposed contract in excess of \$10,000.00 is recommended for award to the Board of Commissioners or the County Administrator, or before the County renews, extends, or otherwise modifies a contract after it has been awarded, the Contractor must disclose certain relationships with any County Commissioner or County Official, or their spouse, mother, father, grandparent, brother, sister, son or daughter related by blood, adoption, or marriage (including in-laws). A relationship that must be reported exists if any of these individuals is a director, officer, partner, or employee, or has a substantial financial interest in the business, as described in Fayette County Ordinance Chapter 2, Article IV, Division 3 (Code of Ethics).

If such relationship exists between your company and any individual mentioned above, relevant information must be presented in the form of a written letter to the Director of Purchasing. You must include the letter with any bid, proposal, or price quote you submit to the Purchasing Department.

In the event that a Contractor fails to comply with this requirement, the County will take action as appropriate to the situation, which may include actions up to and including rejection of the bid or offer, cancellation of the contract in question, or debarment or suspension from award of a County contract for a period of up to three years.

19. **Contract Execution & Notice to Proceed:** After the Board of Commissioners makes an award, all required documents are received by the County, and the contract is fully executed with signature of both parties, the County will issue a written Notice to Proceed. The County shall not be liable for payment of any work done or any costs incurred by any bidder prior to the County issuing the Notice to Proceed.
20. **Unavailability of Funds:** This contract will terminate immediately and absolutely at such

time as appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of the County under the contract.

21. **Insurance:** The Successful Bidder shall procure and maintain the following insurance, to be in effect throughout the term of the contract, in at least the amounts and limits as follows:

- a. **General Liability Insurance:** \$1,000,000 combined single limit per occurrence, including bodily and personal injury, destruction of property, and contractual liability.
- b. **Automobile Liability Insurance:** \$1,000,000 combined single limit each occurrence, including bodily injury and property damage liability.
- c. **Worker's Compensation & Employer's Liability Insurance:** Workers Compensation as required by Georgia statute.

Before a contract with the Successful Bidder is executed, the Successful Bidder shall provide Certificates of Insurance for all required coverage. The Successful Bidder can provide the Certificate of Insurance after award of the contract but must be provided prior to execution of the contract document by both parties. The certificate shall list an additional insured as follows:

Fayette County, Georgia
140 Stonewall Avenue West
Fayetteville, GA 30214

22. **Bid Bond:** Bidder shall include a bid bond with your bid, equal to five percent (5%) of the total amount bid. Bid bonds shall be provided by a surety which appears on the U.S. Treasury's list of approved bond sureties (Circular 570).
23. **Performance and Payment Bonds:** Prior to execution of a contract, the Successful Bidder shall submit performance and payment bonds each equal to 100 percent of the contract value, provided by a surety which appears on the U.S. Treasury's list of approved bond sureties (Circular 570).
24. **Unauthorized Performance:** The County will not compensate the Contractor for work performed unless the work is authorized under the contract, as initially executed, or as amended.
25. **Assignment of Contract:** Assignment of any contract resulting from this Invitation to Bid will not be authorized, except with express written authorization from the County.
26. **Indemnification:** The Contractor shall indemnify and save the County and all its officers, agents and employees harmless from all suits, actions, or other claims of any character, name and description brought for or on account of any damages, losses, or expenses to

the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the Contractor or other persons employed or utilized by the Contractor in the performance of the contract. The Contractor shall pay any judgment with cost which may be obtained against the County growing out of such damages, losses, or expenses.

27. **Severability:** The invalidity of one or more of the phrases, sentences, clauses or sections contained in the contract shall not affect the validity of the remaining portion of the contract. If any provision of the contract is held to be unenforceable, then both parties shall be relieved of all obligations arising under such provision to the extent that the provision is unenforceable. In such case, the contract shall be deemed amended to the extent necessary to make it enforceable while preserving its intent.
28. **Delivery Failures:** If the Contractor fails to deliver contracted goods or services within the time specified in the contract or fails to replace rejected items in a timely manner, the County shall have authority to make open-market purchases of comparable goods or services. The County shall have the right to invoice the Contractor for any excess expenses incurred or deduct such amount from monies owed the Contractor. Such purchases shall be deducted from contracted quantities.
29. **Substitution of Contracted Items:** The Contractor shall be obligated to deliver products awarded in this contract in accordance with terms and conditions specified herein. If the Contractor is unable to deliver the products under the contract, it shall be the Contractor's responsibility to obtain prior approval of the ordering agency to deliver an acceptable substitute at the same price quoted in the Contractor's original bid. In the event the Contractor consistently needs to substitute or refuses to substitute products, the County reserves the right to terminate the contract or invoke the "Delivery Failures" clause stated herein.
30. **Inspection and Acceptance of Deliveries:** The County reserves the right to inspect all goods and products delivered. The County will decide whether to accept or reject items delivered. The inspection shall be conclusive except with respect to latent defects, fraud, or such gross mistakes as shall amount to fraud. Final inspection resulting in acceptance or rejection of the products will be made as soon as practicable, but failure to inspect shall not be construed as a waiver by the County to claim reimbursement or damages for such products which are later found to be in non-conformance with specifications. Should public necessity demand it, the County reserves the right to use or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Director.
31. **Termination for Cause:** The County may terminate the contract for cause by sending written notice to the Contractor of the Contractor's default in the performance of any term of this agreement. As appropriate, the County will compensate the Contractor for completed performance, and for any partially completed performance as determined by the County to be adequately performed. Termination shall be without prejudice to any of the County's rights or remedies by law.

32. **Termination for Convenience:** The County may terminate the contract for its convenience at any time with 10 days' written notice to the Contractor. In the event of termination for convenience, the County will pay the Contractor for services performed. The County will compensate partially completed performance based upon a signed statement of completion submitted by the Contractor, which shall itemize each element of performance completed.
33. **Force Majeure:** Neither party shall be deemed to be in breach of the contract to the extent that performance of its obligations is delayed, restricted, or prevented by reason of any act of God, natural disaster, act of government, or any other act or condition beyond the reasonable control of the party in question.
34. **Governing Law:** This agreement shall be governed in accordance with the laws of the State of Georgia. The parties agree to submit to the jurisdiction in Georgia, and further agree that any cause of action arising under this agreement shall be required to be brought in the appropriate venue in Fayette County, Georgia.

PROJECT SPECIFIC TERMS AND CONDITIONS
ITB #26136-B: TRAFFIC SIGNAL - BANKS ROAD @ ELLIS ROAD

- A. Reference and Incorporation of GDOT Specifications** - Unless noted otherwise in this Invitation to Bid (ITB), the Georgia Department of Transportation's Standard Specifications Construction of Transportation Systems, most recent edition, are incorporated by reference into the Project Manual and contract documents. All work shall be performed in accordance with the GDOT specifications, and all pay items shall be measured and evaluated in accordance with the specifications. They shall supersede all other specifications unless more stringent requirements are listed.

It is the responsibility of the Contractor to be familiar with these specifications before bidding and to adhere to them during construction. Fayette County is the owner of the project and shall serve as the administrator of the contract in lieu of "The County". Copies of the documents can be obtained from the GDOT website.

- B. Contract Time** The Contractor shall complete all work described in this Invitation to Bid and the Contract Documents within One Hundred Twenty (120) calendar days following the County's issuance of the Notice to Proceed (NTP), unless otherwise modified by a written change order or approved contract time extension. Contract time is measured on a calendar day basis and includes County Holidays and weekends.

Bidders are required to submit, as a component of their Bid Package, a comprehensive list of all proposed long lead time items, materials, and/or equipment anticipated by the Bidder, together with the estimated procurement and delivery time for each item. Failure to identify a long lead item in the Bid shall constitute acknowledgment that such item can be procured within the proposed contract time.

Following issuance of the Notice to Proceed (NTP), the Contractor may request an extension of the contract time for delays attributable to long lead time items only if such items were properly identified in the Bid and the delay is beyond the Contractor's reasonable control. Any request for a contract time extension must be supported by verifiable documentation, including but not limited to purchase orders, supplier correspondence, manufacturer lead time confirmations, and evidence of timely procurement efforts by the Contractor. No extension of contract time shall be granted for long lead time delays resulting from the Contractor's failure to timely order materials, inadequate planning, or failure to disclose such items in the Bid. Approval of any contract time extension shall be at the sole discretion of the County, in accordance with the Contract requirements.

- C. County Holidays** – The Contractor shall not work on a County Holiday unless written approval is provided by Fayette County at least three days prior to the Holiday. The County Holiday Schedule is available on the County's website: https://fayettecountyga.gov/information/county_holidays.htm
- D. Work Hours** – Unless pre-approved otherwise by Fayette County, all work shall be performed Monday thru Friday and between the hours of 8:00 AM and 5:00 PM.

- E. **Prequalification of Bidders** – The Prime Contractor and/or subcontractor(s) shall be GDOT prequalified in **Work Class 150 and 647** and provide at least two (2) successfully completed projects of similar scope and size within the past five (5) years. Fayette County reserves the right to consider a contractor’s GDOT prequalification’s and past performance when determining if a bid is responsive and responsible.

<u>Class</u>	<u>Description</u>
150	Traffic Control
647	Traffic Signal Installation

The bid package shall include the required documentation demonstrating the above items are satisfied. Failure to provide the documentation may result in the bid being disqualified.

- F. **OSHA** – Adhere to the Occupational Safety and Health Administration’s (OSHA) excavation standards, *29 Code of Federal Regulations (CFR) Part 1926, Subpart P* for excavation and trenching operations.
- G. **Contractor Staging** – No staging area is provided by Fayette County for the project beyond the acquired right-of-way and easements for the project. Contractor staging shall not interfere with traffic on County roads.
- H. **Contractor Supervision and Work Coordination** – The Contractor shall supervise and direct the work. He/she shall be solely responsible for the means, methods, techniques, sequences, and procedures of construction, including traffic control. The Contractor shall employ and maintain onsite a qualified supervisor or superintendent who will be designated in writing by the Contractor as the Contractor's site representative. The supervisor shall have full authority to act on behalf of the Contractor and all communications given to the supervisor shall be as binding as if given to the Contractor. The supervisor shall always be present on the site as required to perform adequate supervision and coordination of the work.
- I. **Workmanship Guarantee** – The Contractor shall warranty and guarantee all materials supplied, equipment furnished, and work performed to be free from defects (resulting from faulty materials supplied or workmanship) for a period of twelve (12) months from the date of Substantial Completion.

The Owner shall give notice of observed defects with reasonable promptness and the Contractor shall have 45 calendar days to address the issue(s). If the Contractor fails to make such repairs, adjustments, or other work that may be made necessary by such defects, the Owner may do so and charge the Contractor the cost thereby incurred. If different guarantees or warranties are required in the technical specifications for specific items, then the more stringent (i.e., longer) apply.

- J. **Special Allowance** – Due to the nature of the project and the potential for unforeseen conditions, it is possible that some additional work or modification to the scope may be required. A **\$25,000** Allowance is to be included in the Base Bid, to be used to cover Claims (Section 105.13) or Extra Work (Section 109.05) with prior written approval from Fayette

County. The procedures for submitting such requests are documented in the referenced Sections. If approved, the amount of the Claim or Extra Work will be deducted from the Allowance. Requests greater than the amount available in the Allowance category may require approval from the Fayette County Board of Commissioners.

- K. **Section 102 Bidding Requirements and Conditions** – This section of the GDOT Specifications is removed in its entirety from this ITB.
- L. **Section 103 Award and Execution of Contract** – This section of the GDOT Specifications is removed in its entirety from this ITB.
- M. **Section 105.06 Cooperation with Utilities** – The County will notify all utility companies or other parties affected of Award of the Contract and will assist the Contractor in arranging for all necessary adjustment or relocation within or adjacent to the limits of construction. It shall be the Contractor’s responsibility to plan with each utility owner a schedule of operations which will clearly set forth at which stage of the Contractor’s operations the utility owner will be required to perform adjustment and relocation work.

Before beginning any mechanized boring, trenching, or digging the contractor shall call Georgia 811 at least 72-hours in advance excluding weekends and holidays. Calls made after 4:30pm count as the next day.

- N. **Section 105.09 Authority and Duties of the Resident Engineer** – The Resident Engineer shall be designated by Fayette County.
- O. **Section 105.10 Duties of the Inspector** – Inspectors may be employed by Fayette County or Fayette County’s designated Engineer.
- P. **Section 106 Control of Materials** – The materials used in the work shall meet all quality requirements of the contract. All materials shall be inspected, sampled, and tested by the Contractor’s third-party Quality Control Technician before incorporation into the Work. Sampling and testing shall be performed in accordance with GDOT’s Sampling, Testing and Inspection Manual. Quality control tests shall be furnished to the County and may be used as acceptance tests at the discretion of the County or Engineer.
- Q. **Section 106.11 Field Laboratory** – A field laboratory is not required.
- R. **Section 107.02 Permits and Licenses** – The Contractor shall procure all permits and licenses, pay all charges, taxes, and fees, and give all notices necessary and incidental to the due and lawful prosecution of the work unless otherwise stated in the Contract Documents.
- S. **Section 108.03 Prosecution and Progress** - The Contractor shall furnish the County, for approval, a progress schedule following the receipt of the Notice to Proceed and prior to the pre-construction conference. The Contractor shall provide a revised progress schedule at the end of each month showing the proposal plan to prosecute the balance of the work.

No payments will be made to the Contractor while delinquent in the submission of a progress schedule or a revised progress schedule.

T. Section 108.07 Determination of Contract Time – extension of contract time to be in accordance with GDOT specifications.

U. Section 108.08 Failure or Delay in Completing Work on Time - Time is an essential element of the Contract, and any delay in the prosecution of the Work may inconvenience the public, obstruct traffic, or interfere with business. In addition to the aforementioned inconveniences, any delay in completion of the Work will always increase the cost of engineering. For this reason, it is important that the Work be pressed vigorously to completion. Should the Contractor or, in case of default, the Surety fail to complete the Work within the time stipulated in the Contract or within such extra time that may be allowed, charges shall be assessed against any money due or that may become due the Contractor in accordance with the following schedule:

Contract Amount		Daily Charges
For More Than	To and Including	Per Calendar Day Beyond Schedule Completion Date
\$---	\$50,000	\$950
\$50,000	\$250,000	\$960
\$250,000	\$500,000	\$1,240
\$500,000	\$2,500,000	\$1,660
\$2,500,000	\$5,000,000	\$2,700
\$5,000,000	\$10,000,000	\$3,400

These fixed liquidated damages are not established as a penalty but are calculated and agreed upon in advance by the County and the Contractor due the uncertainty and impossibility of making a determination as to the actual and consequential damages which are incurred by the County and the general public as a result of the failure on the part of the Contractor to complete The Work on time.

In addition to the above, the Contractor shall meet and satisfy all applicable GDOT specifications as written in Section 108 Prosecution and Progress. In the event of a conflict the more stringent shall apply.

V. Section 109.07 Partial Payment – At the end of each month the Contractor shall submit a pay application to the Engineer and County for review. The total value of items complete in place will be verified by the Engineer and certified for payment. No payments will be made to the Contractor while delinquent in the submission of a progress schedule or a revised progress schedule.

W. Section 150 Traffic Control – The Contractor shall prepare and submit a Temporary Traffic

Control Plan for review and approval by Fayette County at least seven (7) calendar days prior to mobilization. The Plan shall outline how traffic will be maintained throughout construction without the use of lane closures or detours, and how continuous access to private properties will be ensured at all times. All signage, traffic control devices, and pavement markings shall be in accordance with GDOT and the MUTCD.

- X. **Section 161 Control of Soil Erosion and Sedimentation** - This Work includes using best management practices (BMPs) as required in the current edition of the Georgia Soil and Water Conservation Commission Manual for Erosion and Sediment Control in Georgia.
- Y. **Section 636 Highway Signs** – The contractor shall install all highway signs according to the details on the Plans and the Manual on Uniform Traffic Control Devices.
- Z. **Section 639 Strain Poles for Overhead Signs and Signal Assemblies** – Strain poles for overhead signs and signal assemblies to be in accordance with GDOT specifications and as noted on the plans.
- AA. **Section 647 Traffic Control Signal Installation** – The contractor shall install all equipment, poles, bases, wiring, and incidental materials required for a complete and functional traffic control signal installation according to this section unless otherwise noted on the plans.

The Engineer will provide an initial traffic signal timing plan for the project. The Contractor shall be responsible for programming the traffic signal in accordance with the timing plan provided by the County, and for performing all necessary field adjustments to ensure proper operation. This includes coordination, fine-tuning, and optimization to achieve safe and efficient traffic operations.

Approximately thirty (30) days after the traffic signal becomes fully operational, the Contractor shall return to the site to review, evaluate, and, if necessary, reprogram the signal timing based on feedback from the Engineer/Designer. This evaluation shall consider observed traffic operations, field conditions, and overall performance. Any required adjustments or reprogramming shall be included in PAY ITEM 647-1000 TRAFFIC SIGNAL INSTALLATION NO. 1 and shall be performed at no additional cost to the County.

- BB. **Section 653 Thermoplastic Traffic Stripe** – The contractor shall furnish and apply thermoplastic reflectorized pavement markings and ensure that markings conform to Plan details and locations, these Specifications, and the Manual on Uniform Traffic Control Devices. Thermoplastic traffic stripe consists of solid or broken (skip) lines, words, and symbols according to Plan color, type, and location.
- CC. **Section 680 Highway Lighting** – The contractor shall install all roadway lighting and luminaire for roadway lighting systems to the specifications and plans.
- DD. **Section 682 Electrical Wire, Cable, and Conduit** - The contractor shall install all wire, cable, conduit, junction boxes and grounding for electrical power required for a complete and functional traffic control signal installation according to this section unless otherwise noted on the plans.

A permit shall be required for the installation of any new electrical meter base associated with the traffic signal installation. The contractor shall coordinate with the County's Building Safety Department to obtain the required permit and schedule all necessary

inspections. There shall be no fee associated with this permit for this project.

The contractor shall be responsible for ensuring that the installation passes inspection and for providing the approved inspection documentation to the power company. The power company will not energize the service until proof of approved inspection has been submitted.

- EE. Section 670 Water Distribution System** – Work on Fayette County Water Systems infrastructure is not anticipated as part of this project. If it is required, however, all work shall be in strict accordance with Fayette County Water System Specifications and GDOT Specification 670 and as noted on the plans. In the event of a conflict, the more stringent shall apply. The contractor performing the utility work shall be a licensed Utility Contractor in the state of Georgia.
- FF. Section 700 Grassing** - This work includes preparing the ground, furnishing, planting, seeding, fertilizing, sodding, and mulching disturbed areas within the Right-of-Way limits and easement areas adjacent to the right-of-way as shown on the Plans except as designated by the Engineer to remain natural.
- GG. Section 937 Detection Systems** – Contractor shall furnish, install, and test the temporary detection system according to this section.
- HH. Section 939 Communications and Electronic Equipment** – The contractor shall Furnish, install, test, and provide warranty and training for communications and electronic equipment and materials as specified herein and shown in the Contract documents.
