Addendum #1**

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced RFQ. You will need to consider this information when preparing your quote.

- 1. While we are working, will we have the full area where we parked during the pre-quote meeting for staging equipment and tree logs for the duration of the event??**

Yes. The parking lot behind the gym can be used for parking and staging. Any damage done to the asphalt or piping shall be the responsibility of the vendor to repair. The county will not be responsible for any vehicles left overnight in the parking lot. The area used for parking and/or staging needs to be clearly barricaded off to keep unauthorized individuals out of the area.
