Re: RFQ #26053-Q Engineering Design Services for Sandy Creek Rd @ Eastin Rd

Subject: Notice of Most Qualified

Fayette County, Georgia has notified the firm identified as the most qualified to enter the next stage. Due to the restricted budget, this will be the Scope of Work Stage. It should be noted if negotiations with the most qualified firm is unsuccessful, Fayette County may enter negotiations with the second most qualified firm and so on until an agreement can be reached within available financial resources.

Firms are in order of Phase I and Phase II combined scores:

1. Practical Design Partners
2. Alfred Benesch & Company
3. Southeastern Engineering Inc.
4. POND and Company

If you need any additional information, please contact Sherry White, Contract Administrator at (770) 305-5314 or swhite@fayettecountyga.gov.
