## **NOTICE TO INDUSTRY:**

**Effective Monday 8/6/18 : SAGES - Addressing Request Module**

**Fayette County Department of Building Safety is excited to announce the roll-out of the SAGES - Addressing Request Module.**

**All addressing requests will need to be placed online through the Sages system. You will now have three addressing tiles on your home screen:**

- Address Req. – No Parcel Number**
- Address Req. – With Parcel Number**
- Address Change Request**

**Address Requests will be grouped and processed once a month for assignment. When an address is assigned your permit will reflect the new street number/name in Sages. This new simplified process will allow for a more efficient and timely method of assigning address moving forward.**

**If you have any questions regarding this new process, please contact the Fayette County Department of Building Safety.**

**Regards,**
