

Where Quality Is A Lifestyle

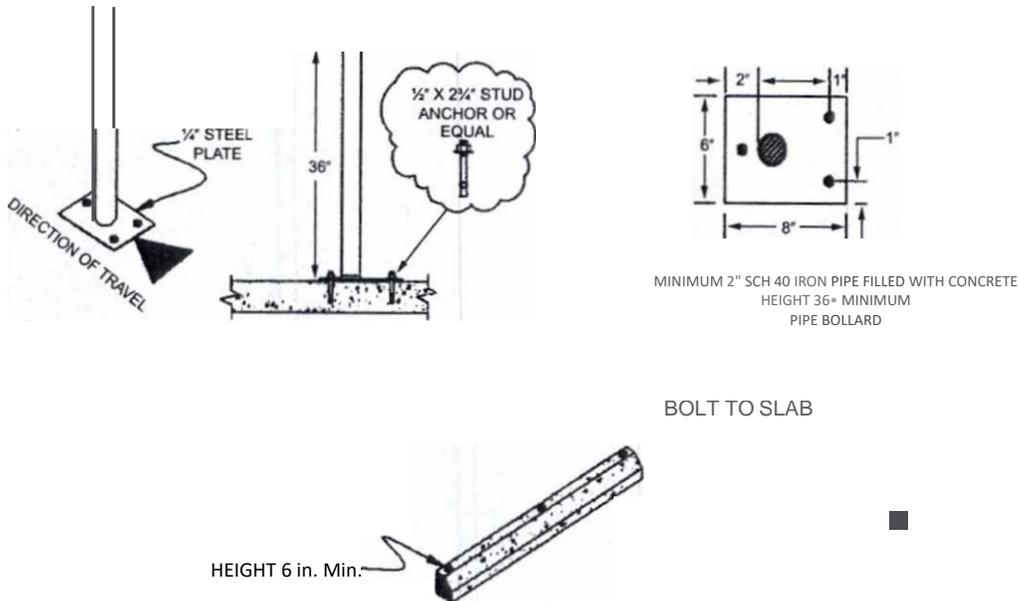

August 3, 2018

NOTICE TO INDUSTRY:

Protection of HVAC Units and Water Heaters

Code requires the protection of HVAC equipment and Water Heaters in garages and other areas of vehicle impact. Similarly this requirement carries over to the replacement of this type of equipment if not protected.

Examples of equipment protection are as follows.

If you have any questions regarding this notice, please contact the Fayette County Department of Building Safety.

Regards,

Joe Scarborough
Director, Fayette County Department of Building Safety
