DIRECTOR'S REPORT:

Weapons: Director Jones stated that at the November 13, 2017 Board of Elections Meeting, he was directed to discuss weapons at the current meeting. He stated that discussion about security should not be on a public agenda. He reiterated that there was county policy prohibiting employees from carrying firearms as well as state law preventing weapons from being within 150' of a polling location. He recommended that the policy be followed and that the proper way to challenge the policy was to take it to the County Commissioners. Chairman Hicks replied that he did not want to change the policy. The Board did not provide further direction on this matter.

Accomplishments: Director Jones provided the Board members with a list of accomplishments that were made in the year 2017. He noted that one accomplishment was that, when he first came to the Elections Office he was met with a request from the Board of Education to move all polling locations out of the schools. He reported that on November 13, 2017, the Board of Education unanimously voted to work with the Board of Elections for the utilization of schools as polling locations. He stated that was a big accomplishment in moving toward the future consolidation of precincts. The Board members agreed with that assessment and made some tweaks to the list. A copy of the list of accomplishments, identified as "Attachment 2," follows these minutes and is made an official part hereof.

Vacation: Director Jones reported that he had approximately two weeks of use-or-lose vacation time to take before the year ended. He asked the Board's blessing to take vacation from Monday, December 18, 2017 through January 1, 2018. Chairman Hicks asked who would be in charge of the office during this time. Mr. Jones replied that County Registrar Leigh Combs would be in charge since during his absence. He further informed the Board that he had authorized Elections Supervisor April Crosby to be out of the office for the same time frame. The Board agreed to Mr. Jones' request.

There was no Attorney's Report.

BOARD MEMBERS REPORTS:

Chairman Hicks: Chairman Hicks stated that the general and runoff elections went well. He thanked the Mr. Jones for the effort and Mr. Jones replied that it was really his staff who did the yeoman's work. Chairman Hicks added that County Administrator Steve Rapson had sent a text saying: "Thank you for the quiet election." It was also noted that Fayette County may have had its elections results in first based on a news report from WSB Radio in which it was indicated that Fayette was first to report of all the metro Atlanta counties.
