DIRECTOR'S REPORT:

Representative David Stover Resignation: Director Jones reported that around 3:00 p.m. he learned that Georgia Representative David Stover had resigned and that Governor Kemp had accepted the resignation. Representative Stover represents District 71 which encompasses much if not all of Coweta County, but there is a small part of Fayette County included in that district. That small part of Fayette County has 4,040 active and inactive voters and affects both the Kedron and Fielding Ridge precincts. Director Jones stated that he had spoken to the Secretary of State's Office and that there was an initial understanding that a Special Called Election may be held on Tuesday, September 17, 2019. He suggested that given the small number of voters and the location of the voters in the county, that only the Peachtree City Library be opened for the three weeks of early voting. Assistant County Attorney Patrick Stough suggested that the law may require an early voting location to be the same location where the County Registrar's Office is located, meaning that the Fayette Administrative Complex would be required to open for voting purposes. The Board agreed to limit the number of early voting sites to one or two locations pending review by the County Attorney.

Board of Education Meeting: Director Jones stated that several weeks ago he and Chairman Lester met with Assistant School Superintendent Mike Sanders about the possibility of using school property for early voting locations in Fayetteville and to discuss other issues in relation to House Bill 316. He said it was his understanding that Mr. Sanders would take the concerns to his administration in an effort to see if election needs could be accommodated. Mr. Jones stated that after a few weeks, he had a subsequent conversation with Mr. Sanders. In that second conversation, Mr. Sanders stated that he thought the Elections Office was looking for locations and would return to the school system. Mr. Jones reported that there had been an obvious misunderstanding in who was doing what, and that Mr. Sanders had stated he would go to school administration to see if there was any way the school could help. Mr. Jones concluded that there had been no follow-up conversation at the time of the meeting.

Chief Deputy Registrar Agnes Bridges: Director Jones introduced Mrs. Agnes Bridges to the Board as the Chief Deputy Registrar of Fayette County. The Board welcomed Mrs. Bridges to Elections.

GAVROE Committees: Director Jones reported that at the last meeting of the Board of Elections, he stated he was on the Nominating and Bylaws Committee for GAVREO (Georgia Association of Voter Registration and Election Officials.) He stated that since the April meeting, it was determined that no one could be appointed to the Nominating Committee without a full vote of the membership, which will be held in December. Therefore, Mr. Jones is no longer a member of the Nominating Committee but he remains on the Bylaws Committee and on a Cybersecurity subcommittee.

December 2019 GAVROE Conference: Director Jones stated that the next Elections conference will be held from December 8-11, 2019 in Savannah, Georgia. He reported that rooms have been reserved at The Kimpton Brice Hotel. Mr. Jones added that this is the last time Election conferences will be held in Savannah due to the logistical problems experienced by the counties. He further added that this conference would stand in for the annual 2020 conference, and that following the Savannah conference the next one would be back in Jekyll Island in 2021.

Board of Commissioners Budget: Director Jones reported that the Board of Commissioners would be voting on the Fiscal Year 2020 budget on June 27. He said if the budget is approved as presented, it would include \$150,000 for the renovation of Fire Station #4 for Election purposes. Chairman Lester added that the county still has not returned with schematics for the old fire station and it was unknown at this time if the fire station could meet Election needs.

National Change of Address Update: County Registrar Brian Hill briefed the Board on the ongoing work. He reported that over 5,000 National Change of Addresses (NCOAs) were issued and that many were returned as “undeliverable” or “forwarding addresses” from the United States Postal Service. The ones that were “forwarding addresses” were resent to the forwarding address. The ones marked “undeliverable” were entered into Elections Network (ENET) and were designated as “Inactive.” The NCOAs received from voters, whether transferring out-of-county, changing an address, or simply a duplicate, were entered as such into ENET and updated.

Southside Church: Director Jones stated that a draft agreement was in place and was pending legal review to allow Southside Church to serve as a polling location. He reminded the Board that this matter had been brought up in the past and that the church appeared to be in agreement thus far with being utilized as a polling location.

Presidential Preference Primary: Director Jones informed the Board that the date for the Presidential Preference Primary had been set for Tuesday, March 24, 2020. This is a later than “Super Tuesday” and likely was driven by the ongoing changes to elections as required by House Bill 316.

WORDING FOR THE AGENDA

Discussion concerning the September 3, 2019 Special Called Election.

BACKGROUND / HISTORY / DETAILS

Governor Brian Kemp has called for a Special Called Election in order to fill an unexpired term for State Representative David Stover (House District 71).

The Special Election will occur on September 3, 2019.

Due to the very low number of potential Fayette County voters eligible to vote in this Election- coupled with an expectation of low voter turnout overall- Elections staff recommends opening only two of the three early voting locations and to go toward minimal staffing.

A potential runoff for this election is slated for October 1, 2019

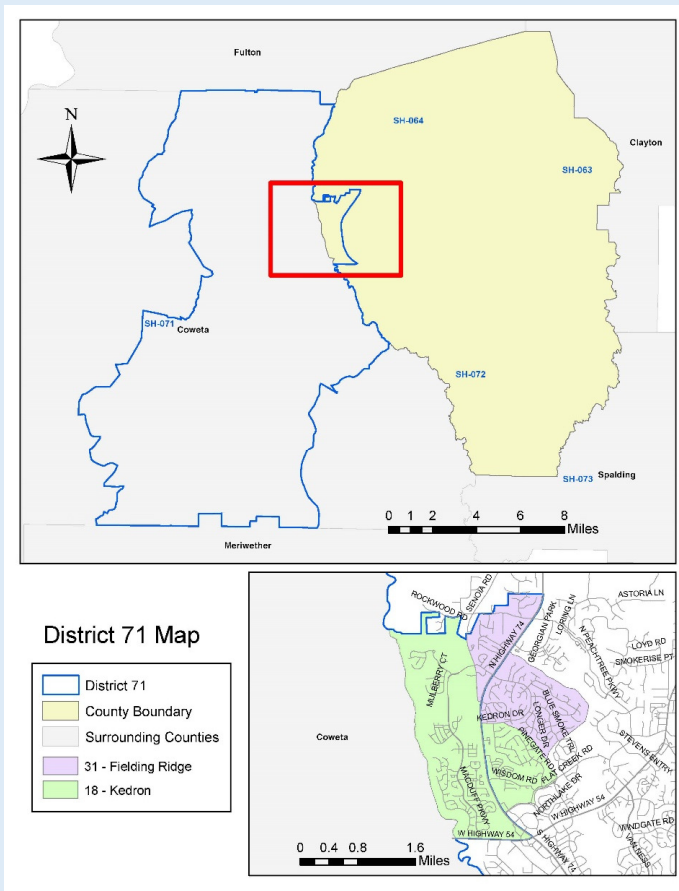

SPECIFIC ACTION / DIRECTION SOUGHT

Discuss the September 3, 2019 Special Called Election.

SPECIAL ELECTION DISTRICT 71

September 3, 2019

DISTRICT 71 MAP

District 71 is mostly located in Coweta County with a small section in Fayette County.

In general, District 71 begins at the intersection of State Routes 54 and 74. It is west of State Route 74 and north of State Route 54. It follows the narrow stretch of Fayette County until approximately the border of the Town of Tyrone.

Just over 4,000 Fayette citizens are registered voters in District 71, **meaning the majority of Fayette voters are not eligible to vote in this Special Election.**

District 71 includes two county precincts: Kedron and Fielding Ridge.

There are two combos in each precinct **meaning not all voters in the Kedron and Fielding Ridge precincts are located in District 71.**

Voters may contact the Elections Office, review their Voter Card, or visit www.mvp.sos.ga.gov to determine if they reside in District 71.
