I hereby certify that I have authorization to make this application and that the information provided and the exhibits attached are complete and correct. I understand that false information or misrepresentations could result in, among other things, revocation of the application or permit. Applicant agrees that they will be familiar with and follow the current version of Georgia's Department of Transportation's "Utility Accommodation Policy and Standards." It is agreed and understood that in consideration of the approval of this permit that the proposed utility work will be performed and completed in accordance with all applicable County, State, and Federal laws, rules, regulations, and ordinances. Any damage caused to the existing pavement and shoulders of road will be repaired and work guaranteed by the Company. Fayette County will not be liable for any unwillful damage to the Company's facilities caused by County maintenance forces in the future. Should, and if, it becomes necessary on the part of the County or its agents to relocate, rebuilt, widen, or improve this road in this section, it is agreed that the necessary adjustments to the Company facilities in connection with said work will be performed by the company without cost to the County. It is also agreed that notification will be given to Fayette County upon completion of work that's detailed within this permit application.
