Fayette County Georgia Code of Ordinance Sec. 16-41. - Disturbance permits.

- (a) Any person who wishes to obtain an exemption from any provision of this article may apply in writing to the administrator for a disturbance permit. The application shall be accompanied by a fee of \$25.00 and such information and data as the administrator may require including but not limited to reports and documents showing noise levels customarily generated by the proposed activity and proposed means for controlling such noise.
- (b) The marshal's department shall conduct an investigation and make a recommendation to the board of commissioners within 30 days of the receipt of the application.
- (c) Upon consideration of the application and accompanying documentation the board of commissioners may issue a permit exempting the applicant from the application of the provisions of this article as specified in the permit for a period not to exceed 15 days if the application demonstrates the following:
 - (1) The noise occurring or proposed to occur does not endanger public health, safety, or welfare; and
 - (2) In considering the relative interests of the applicant, other owners or possessors of property likely to be affected by the noise, and the general public the permit is warranted; and
 - (3) One of the following circumstances is demonstrated:
 - a. The activity or noise source is temporary in nature and cannot be accomplished in a manner that would comply with the provisions of this article.
 - b. There is no reasonable economic or technological alternative mean, as determined by the board of commissioners in its sole discretion, currently known or available for the adequate prevention, abatement or control of the noise involved.
 - c. Additional time is necessary for the applicant to alter or modify the noise-producing activity in order to comply with the provisions of this article.
- (d) When issuing the permit, all conditions regarding the proposed use shall be written on the face of the permit including, but not limited, the effective date, restrictions on time of day, location on the lot, days of the week, and total hours of use per week.
- (e) Any permit granted pursuant to this section may be extended upon submission and issuance of a new application for permit for an additional 15 day period, provided good cause is shown.
