PUBLIC NOTICE- TEMPORARY RELOCATION OF POLLING PLACE

Oak Grove Polling Place Temporarily Moved from Oak Grove Elementary School to Braelinn Elementary School

Pursuant to O.C.G.A. § 21-2-265(a), notice is hereby provided that the polling place for Precinct #17- Oak Grove has temporarily been relocated from Oak Grove Elementary School to Braelinn Elementary School. Braelinn Elementary School already serves as a polling place for Precinct #22- Braelinn.

This temporary move will not impact the voters who normally vote at Braelinn Elementary School since the school will temporarily host both polling places.

Braelinn Elementary School is located at 975 Robinson Road, Peachtree City, Georgia 30269.

This temporary move is only for the June 9, 2020 Election.

The decision to temporarily move the polling place became necessary after the May 18, 2020 General Primary Election was postponed until June 9, 2020- a time when Oak Grove Elementary School would not be able to be used as a polling place due to planned renovations.

Oak Grove Elementary School will resume being a polling place for the November 2020 General Election.
