Anita Godbee, Fayette County Recreation

Absent:

Nancy Holland

Guests:

Darby Holliman, Brooks Area Recreation  
Darrell Sims, Fayette County Baseball Association  
Bryan Thompson, Fayette County Baseball Association  
Geoff Fulton, Fayette County Soccer Association

**Welcome, Invocation, and Pledge** led by Charles McCollum

**Minutes:** Terrence Williamson made a motion to accept the June 2017 minutes. Bradley Klinger 2<sup>nd</sup> the motion. Motion passed 4-0.

**Public Comment:**

None

**Old Business:**

**Hall of Fame:**

Our goal by the first of the year is to assemble a subcommittee of 3-4 people headed up by Charles McCollum who will make recommendations to the Rec Commission for HOF candidates. The Rec Commission will need to decide what the criteria will be for admission to the HOF.

**Safety Plans:**

It was suggested we come up with a template to help the associations with their safety plans. Eventually, each association will be asked to come up with their own personalized safety plan. A copy of the revised safety plans for the PTC Rowing Club was distributed.

**YAA Policy and Procedure Manual – Non-Resident Impact Fees:**

The FCBOC has proposed an increase of \$25 across the board to the non-resident impact fees effective 1/1/18. Four association representatives were present to discuss and offer their feedback. Those present felt the increase was fair. A motion was made by Bradley Klinger to recommend an increase of fees by \$25 effective 1/1/18 and Terrence Williamson 2<sup>nd</sup>. Motion passed 4-0.

**New Business:**

None

**Staff Reports:**

The annual Hot Air Balloon Festival went well and praise was given to the county departments who worked together to make it a success. Due to last year's numbers, the county planned for large numbers, but there was a smaller turnout (approx. 3500) possibly due to impending bad weather. Everyone was able to get on the balloons who desired to. Feedback from the community was very positive about how well organized the event was, and social media posts were positive. One piece of feedback was adults would like to see more adult focused opportunities next year – there was plenty for kids to do. This idea will be explored.

Relay for Life was held in May 2017, but weather impacted their event. On July 15, 2017 at 8:30pm, the Luminaire part of the event will be held.

Signage at the parks is in the process of being updated. No smoking signs will be incorporated into the main signs at the parks for greater visibility. They will incorporate pictures, when possible, instead of a long list of rules and regulations.

**Board Reports:**

None

Bradley Klinger made a motion to adjourn. Terrence Williamson 2<sup>nd</sup> the motion. Passed 4-0.

Meeting adjourned at 7:40pm.
