New Business

Anita covered all the forms with the VP for Football McCurry Park. This was the only team representative in attendance at this meeting.

A copy of an email that was submitted to Anita by a Team Mom for baseball was given to all the board members. It was decided that the procedure that is in place for reporting grievances should be followed. Therefore, the email was not discussed in this meeting. A motion was made to follow the policy and procedures by Shirelle and seconded by Mike. All were in favor.

Numbers are up for football and they are doing a lot of things to help improve the program. Some of the things that have been implemented are Beyond the Ball, QB training, one on one training, development of a new website, etc. Billy Williams has been instrumental in ensuring that these programs are successful and his passion for football is shown in the development of the program.

## Staff Reports

Several grants are being looked at to see what funding may be able to be received to assist with multiple items that would help improve the parks and infrastructure. Funding budgets/packages are being created to ensure readiness for grants. Anita is working on having money earmarked for the matches that are required to apply and receive grants.

Board members were informed that they can have their pictures taken for official badges by visiting HR.

Meeting adjourned at 7:27 pm. Next meeting will be June 13, 2023.
