Minutes: March and April meeting minutes were tabled.

Public Comment: No public comment.

Old Business:

- **Needs Assessment Survey:** The Board of Commissioners were presented the needs assessment summary in their April 26th meeting and it was well received. A motion by Joe Kuebler to move towards Phase II of the needs assessment was made. "Motion to approve and move towards Phase II of the Recreation Master Plan at an expense not to exceed \$7000.00" Shane Jones seconded this motion. Motion carried. Anita distributed the draft of the work outline of the Recreation master plan.

New Business:

- **Training Component HB 1176:** Deputy Renee McCollum of the Fayette County Sheriff's office put a presentation together with the guidance of Anita Godbee. Deputy McCollum has vast experience working with child abuse cases. She has volunteered to assist Anita with training the Organization head involved with Fayette County Recreation on the new law that will go into effect on July 1, 2012.
- **Citizen Soccer Concern:** Resident Jim Cameron brought to the attention of the Recreation Commission the allegations that FCYSA may have been selling Coca Cola products after expiration of date. Mr.

Cameron also reported (and provided documentation) that FCYSA may have been allowing other Soccer teams to utilize the Fayette County soccer fields for game purposes without authorization to do so. And Mr. Cameron has alleged that FCYSA possibly violated their own policy and Fayette County Recreation Policy in how they conducted their elections this year. After hearing this information, the Commission reiterated that ALL Associations should follow the policies and procedures as agreed to with the Fayette County Recreation Department or be subject to sanctions.

Staff Reports: Anita reported that Assistant Director Sheryl Lee will retire after 30 years of service to the Fayette County citizens.

With no further business, the meeting was adjourned at 8:54pm.
