770-716-4320

The Fayette County Parks and Recreation Department is seeking individuals interested in becoming a "Partner in the

Park". These partners would assist in

monitoring and taking pride in our parks.

They will also assist us in fund-raising efforts

to aide in enhancing our parks and

programs. If you or your friends are

interested in helping to organize these

efforts please contact us at:

770-716-4320

A day at the ball park!

"Partner in the Park"

Human impact on our parks, trails, and natural areas continues to grow as does Fayette County. To assist us in preserving the integrity of these vital community spaces and retain the quality of life for our community, the Fayette County Parks and Recreation Department is seeking assistance from the community by offering a "Partner in the Park" program.

Our hope is to enhance public knowledge on park etiquette as well as documenting potential problems in our parks, and reporting on park usage at various times throughout the day or evening. Our goal is to ensure that the parks are being used appropriately as well as connecting the public to our parks in a safe and responsibility way.

Responsibilities of Partner's in the Parks...

•Establishing a Positive Presence

1. Being identifiable as a Partner's in the Park volunteer
2. Greeting park users and answering questions

•Maintenance & Safety

1. Reporting damage to signs, trees, shrubs, pathways, garbage cans, benches, or other park equipment or property
2. Reporting potential safety issues to recreation staff

•Raising Public Awareness

1. Distributing brochures and educational material
2. Increasing public awareness on park bylaws and park use etiquette
3. Basic information on local plant life and history
4. Dog walking and trail etiquette

•Information collection

1. Collection information on park usage at various hours throughout the day
2. Complete surveys as needed
3. Assisting with the identification of plant life

•Fundraising efforts

1. Fundraising or sponsorships to supplement park or program enhancements.
