

**RESOLUTION
R-29-10**

**RESOLUTION TO SUPPORT THE 2010 FAYETTE COUNTY
COMPREHENSIVE TRANSPORTATION PLAN**

WHEREAS Fayette County and the municipalities of Fayetteville, Peachtree City and Tyrone and the general public have worked together over the past two years to develop the 2010 Comprehensive Transportation Plan (CTP); and,

WHEREAS, this document is intended to serve as a guide for the local governments as they prioritize and plan future transportation projects; and,

WHEREAS, the CTP will be used by the Atlanta Regional Commission as a first screen when evaluating projects for federal funding;

NOW THEREFORE BE IT RESOLVED We the Mayor and City Council of the City of Fayetteville do hereby support the CTP, including the following major recommendations and list of Fayetteville Transportation Projects:

1. Use of Scoping Phases to better understand the extent, cost, impacts and benefits of the project.
2. Facility Maintenance – revise roadway resurfacing programs to include a more comprehensive rehabilitation approach.
3. Development Access Management Policies
4. Develop a Transportation Demand Management (TDM) program
 - a. Bicycle and Pedestrian Improvements;
 - b. Enhancement of Multi-Modal Options (i.e., additional sidewalks and paths);
 - c. Street Network enhancement;
 - d. Carpooling and Vanpooling; and
 - e. Peak Hour Reduction.
5. Public Transit Service – the CTP recommends against the development of transit infrastructure projects for scheduled, fixed-route transit service.
6. Expand Transportation Services for Elderly and Disabled
7. Land Use – strengthen existing and emerging activity centers and preserve open, rural areas outside the centers. Design transportation facilities to be consistent with these land uses.
8. Intelligent Transportation Systems (ITS) – Develop ITS to include better signal synchronization; emergency management; and traveler information.
