JUSTIFICATION OF REQUEST

The Fayette County Zoning Ordinance, Section 110-242 (b) states that in order to grant a variance, the Zoning Board of Appeals shall and must find that all five (5) conditions below exist. Please read each standard below and then address each standard with a detailed response. Attach additional information/documentation as necessary.

1. There are extraordinary and exceptional conditions pertaining to the particular piece of property in question because of its size, shape or topography.

2. The application of these regulations to this particular piece of property would create a practical difficulty or unnecessary hardship.

3. Such conditions are peculiar to the particular piece of property involved.

4. Relief, if granted, would not cause substantial detriment to the public good or impair the purposes and intent of these regulations; provided, however, no variance may be granted for a use of land, building, or structure that is prohibited herein.

5. A literal interpretation of this Ordinance would deprive the applicant of any rights that others in the same zoning district are allowed.
