Summer Quest Reading Challenge Ages 3-13

The Challenge

Read at least 20 minutes on 36 days over the summer.
Complete 3 activity badges (on the back of this sheet)

The Reward

A free book!

The BONUS

Play the bonus digital escape game to earn a second book.

Being read to or listening to audio books counts!

Parents and Caregivers: Have your child complete this paper log. We are asking everyone who has computer access and is able to then enter it on Beanstack at the end of the summer. The logging process takes only about two-minutes to complete. See our Beanstack handout for how to set up an account and/or watch the short videos Mrs. Ada created on facebook on how to get started.

Once you have logged their reading, send Mrs. Ada an email at ademlow@fayettecountyga.gov with the following note: "{child's name, age} completed their reading challenge. We {did/did not} enter it on Beanstack. We are ready for the catalog to choose our free books. We {want/don't want} to play the bonus game to get a second free book.

We are NOT able to accept returned paper logs. If you are unable to email, you may call Mrs. Ada at 770-305-5351

Place an X on each day you read at least 20 minutes between June 1 and July 31. You don't have to keep up with your time, but if you WANT to you can write the amount of time read. Do you like to track the books you read? Sign-up for our ongoing challenge called "The Best Reading List Ever" also on Beanstack.

June 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

Activity Badges (Check completed activities)

A Butterfly is Patient: During the month of June our library has a mobile picture book trail on the lawn with the book "A Butterfly is Patient". Choose three activities from this list to earn this badge.

Walk our library mobile picture book trail during June.

Read the book "A Butterfly is Patient" written by Dianna Aston and illustrated by Sylvia Long. (Psst...if you walked the mobile trail then you did this already!)

Create a butterfly craft. We have one in your take-home bag at the picture book trail, but you can do something else as well.

Attend one of our virtual butterfly story times in June. Check the schedule to see when they will be. We will be sharing a story and watching caterpillars turn into butterflies.

People love to use butterflies in the art they create or products they sell. Do a summer long scavenger hunt where you look for butterflies both real and created in the places you go. How many can you find?

Be Creative: Choose one of the creative, hands-on activities to earn this badge.

Pick up a set of blank artist trading cards at the library and design them however you would like.

Pick up a blank booklet from the library and write and/or draw your own story. (Or you can use blank paper at home if you would like!)

Design a comic using your own paper or the comic papers provided at the library.

Virtual Fun: Choose one of the three activities on this list to earn this badge.

Watch any one of our virtual story times or book readings.

Play one of our digital breakout games. These are like escape rooms.

Check out a book from eRead Kids.
