**Subject: IFB #1297-B: SR 92 Westbridge Veterans Pkwy Construction Improvements
– Addendum #4**

Gentlemen/Ladies:

Included herein is additional information and clarification for the above referenced invitation for bids. Please consider all of this information when preparing your bid.

- 1. Please take a look at sheet number 23-02, cross section number 15+50. You will notice that it shows asphalt widening on both sides of the road, but if you look at the mainline plans sheet number 13-02 station 15+50 you will notice widening only occurs on one side of the road. (This example occurs throughout the plans.** The situation described occurs on sheet #23-02 and 23-03, section at STA 15+50 & STA 16+00 respectively. Remove widening section shown on right side as no widening to occur on that side of roadway as shown on the plan. Per the mainline plan sheets, widening with full depth pavement section is to occur in the shaded areas as identified in the legend. **Also, using 15+50 as an example, if you look at the cross section it shows 60' wide from eop to eop but if you measure on the mainline plan it only shows 48' eop to eop. Again, occurs throughout.** Removing the widening portion shown on cross section at STA 15+50 and STA 16+00 will resolve your eop to eop measurement.
- 2. The cross-sections for Veterans Pkwy starting at station 230+00 through 246+50 show the pavement thickness (for subgrade) only as 6" when the typical section (sheet 5-03) shows that 15.5", what is supposed to be installed?** Use full depth pavement section of 15.5" for Veterans Parkway new road construction.
- 3. Listed in Addendum #2, Pricing Sheet, line item 45 has estimated quantity 0; what is the estimated quantity for line 45 - D3-1, Road Name, 10" x 36" (2.5 SF)?** Estimated Quantity is 2.
- 4. Correction to Addendum #2, Question 9: Scale on mainline cross sections states 1' = 20' but actual drawings are 1" = 10'. Which do I use?** Cross sections are 1'=10' vertical and 1"=10' horizontal.

Received by _____ Company _____

Note: If this addendum is not returned to the Fayette County Purchasing Department or if it is returned not signed, all responders shall still be responsible for the requirements of this addendum and the specifications or changes herein.

It is important that the opening date for this invitation for bids not be delayed any further. To that end, no additional questions will be entertained.

The opening date for this invitation for bids has changed. **The new opening date is: 3:00p.m., Tuesday, May 9, 2017.** Bids must be received in the Purchasing Department at the address above in Suite 204 on or before the opening date and time.

If you have already submitted a bid, it will be opened and read on the new opening date. If you would not like your bid opened or should you desire to submit a new bid, your original bid must be picked up, or you must notify the Fayette County Purchasing Department **in writing** to, email address: tbarwicks@fayettecountyga.gov or fax to (770) 719-5515 of your desire to not have your bid opened.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads "Ted L. Burgess for". The signature is stylized and cursive.

Ted L. Burgess
Director of Purchasing
