**Subject: ITB #1429-B: Fayette County Sheriff's Office Training Facility Reuse
Renovation – Addendum #3**

Gentlemen/Ladies:

It has come to my attention that a page may be missing from the sign-in sheet for the pre-bid conference for this Invitation to Bids. At a minimum, the following companies provided business cards, but do not appear on the current sign-in sheets. Individuals who were present have confirmed the attendance of two of them, while one supplied photos that they took at the pre-bid conference, which further corroborates their attendance.

- Barnsley Consulting
- UJAMAA Construction, Inc.
- Frontier Electric & Mechanical
- Reese Services, LLC

As a result, in order to be fair and equitable to all parties, the county is removing the requirement that attendance at the pre-bid conference was mandatory. We will accept sealed bids from companies not listed on the existing sign-in sheets, if they are received by the due date and time, and meet the requirements other than attendance at the pre-bid conference.

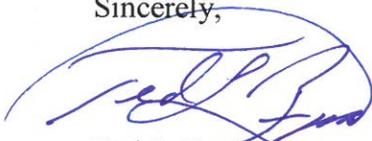

Received by (Name): _____ Company _____

Note: If this addendum is not returned to the Fayette County Purchasing Department or if it is returned not signed, responding individuals or companies will still be responsible for the requirements of this addendum and the specifications or changes herein.

As stated in Addendum #3, the **due date for bids is changed to 3:00 pm on Tuesday, September 11, 2018**. Bids must be received by the Purchasing Department at the address above, Suite 204, on or before the opening date and time.

The deadline for inquiries has passed, so the Purchasing Department will not be able to accept any additional questions after this time.

Sincerely,

Ted L. Burgess
Director of Purchasing
