**Subject: Contract #1431-P: Transportation Engineer of Record
Task Order #10a: Roundabout Design – Redwine Road & S. Peachtree Parkway**

The list of projects included in the special purpose local option sales tax (SPLOST) that was approved by voters on March 21, 2017 includes Transportation Project #C.1, intersection improvement at Redwine Road and Bernhard Road / South Peachtree Parkway (please see attached).

Croy Engineering, LLC is the current Transportation Engineer of Record for the Division of Public Works. Croy was asked to prepare two cost estimates for intersection improvement services, including a survey database, design and construction documents, right-of-way plans, and program management. The first, designated Task Order #10a, would use 100% local funding, and was estimated to cost \$91,300.00. The second estimate, #10b, was developed assuming state or federal financial assistance would be available. Because of additional requirements, #10b was estimated to cost \$207,000.00 and take longer to complete. For these reasons, Public Works recommends Task Order #10a.

Specifics of the Task Order are as follows:

Contract Name	1431-P: Transportation Engineer of Record	
Task Order	#10a: Roundabout Design – Redwine Road & S. Peachtree Parkway	
Contractor	Croy Engineering, LLC	
Amount	\$91,300.00	
Budget:		
Fund	322	2017 SPLOST
Organization Code	32240220	Road Department SPLOST
Object Code	541210	Other Improvements
Project	17TAL	Redwine, Barnhard/PT Parkway
Available Balance	\$1,200,000.00	As of July 30, 2018
