Subject: Invitation to Bid #1557-B: Type I Ambulances - Addendum #1

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced Invitation to Bid. You will need to consider this information when preparing your bid.

1. What is the address the vehicles will be registered under?

Vehicles shall be registered to:
Fayette County, Georgia
140 Stonewall Ave. West – Suite 101
Fayetteville, GA 30214

2. What is your Chrysler Government FAN Code, if any?

The Fleet Account Number (FAN) Code for Fayette County is 0078E.

3. The specifications call for six-inch warning lights on the sides. Do we want a full-size light?

Add (1) one additional 6" warning light mid-body, at the top of the module, on the curbside and streetside.

4. Is a 24-inch grip strut acceptable for the punch in the running boards?

Yes

5. Page 2: Which standard will we adhere to – CAAS, KKK-A-1822-F, NFPA? It would be very expensive to meet all certifications. Can this be narrowed down?

Commission on Accreditation of Ambulance Services (CAAS) will be the accepted standard.

6. Page 3: Completion Inspection – Should we include the cost of travel, food, and lodging in our bid, if applicable?

Yes, see completion inspection information in the bid.

7. Page 4: Wheels – Must the wheels be painted, or will the county add an option for aluminum wheels?

In the “Minimum Requirements” section, Page 4, the requirements for Wheels shall be changed to read “Aluminum wheels, with valve extensions.” Wheel simulators are no longer required.

8. Page 6: Can we furnish the antenna types and model numbers?

There will be (3) antennas. One is the cradlepoint CP-1012-1-PAN 5 in 1 dome. The second is a standard VHF mobile antenna. The third is a standard 700/800 mhz. mobile antenna. The county will supply all antennas with coax cable for installation and will terminate in a streetside compartment. Final termination decision at pre-construction meeting.

9. Page 7: Exterior Compartments – What will the 110 Volt electrical outlet be used for?

Fluid warmers, portable suction, etc. It has inside & outside access.

10. The Chrysler 4500 chassis may not be available. Is there an acceptable alternate?

If a Bidder is unable to provide a Dodge/Ram 4500 chassis, the Bidder may state this, including the reason, on the Exceptions to Specifications form provided, and provide a bid with a Ford F-450 diesel which meets all chassis requirements equal to the Dodge/Ram 4500

11. Brush Guard: Will Ranch Hand or Aliarc brands be acceptable?

Spec’s call for Luverne or equal. The model submitted as equal will be evaluated for coverage of the hood and front of the fenders.

12. Please provide a photo of the current ambulance logo.

144th Marketing Group in PTC provided the lettering on the example unit shown. Photos are attached.

13. I talked with Olathe and the address they have on File for your FAN Code is different than the 140 address. Could someone call the number provided; Chrysler Fleet at 1-800-999-3533 and request a gov't FAN code. This will update your information and qualify you for the Concessions your entitled to.

The county currently has a Chrysler FAN code. It is 0078E, as stated above, Chrysler has been contacted, and is correcting the address to read:

Fayette County
140 Stonewall Ave. W.
Fayetteville, Ga. 30214.
