**Subject: RFP #1670-P: Engineer of Record for Water System Interconnectivity Initiative
Addendum #2**

Gentlemen/Ladies:

A pre-proposal conference was held for the above-referenced Request for Proposals on June 5, 2019. Several firms asked questions during the conference and via email to the Purchasing Department afterward. Answers to some of the questions are provided below. The remaining questions will be answered in an upcoming addendum.

Since it is the county's goal is to provide you will sufficient time to adequately prepare your proposal after you receive answers to all questions, we are suspending the due date. **The next Addendum will provide both the additional information and a new due date and time.**

- 1. PDF Page 14 – Cover Page and Table of Contents – Are these items to be included as part of the 25 page limit? What about tabs and a cover letter?**

Cover Page, Table of Contents, Required Documents, tabs and a cover letter will not count as part of the 25 page limit.

- 2. PDF Page 14 - Proposal Response Requirements Item 3 Required Documents - Sub item 5 with regards to the GA PE and Safe Dams EOR is to be submitted. What should be the order of placement with regards to the Checklist on PDF page 22? All other sub items under Item 3 are listed in the Checklist. The assumption is this will not count towards the 25 page limit.**

The *Checklist of Required Documents* is provided for your convenience, and will not govern the order of documents to be submitted. For the five items listed under *Required Document*, please include them in that section in the order shown. The assumption is correct that it will not count towards the 25 page limit.

- 3. PDF Page 22 – Checklist - In what order should the Checklist be included as part of the package? Ahead of the Company Information? The assumption is this will not count towards the 25 page limit.**

The *Checklist of Required Documents* is included for your convenience; however, we suggest its inclusion in the Required Documents section. The assumption is correct that it will not count towards the 25 page limit.

4. The Terms and Conditions have been updated to include:

#26 Scope of Work Exceptions: The county reserves the right to competitively solicit other vendors for tasks or projects that are anticipated to cost \$200,000 or more, but which would otherwise fall within the Scope of Work specified in the contract.
