Subject: Invitation to Bid #1865-B: Playground Shade Structures - Addendum #1

Gentlemen/Ladies:

Below, please find additional information for the above referenced Invitation to Bid. You will need to consider this information when preparing your bid.

Questions:

- 1. I notice on section 28 it reads “tent permit”. Do we have to have a builders license for this project or do we simply come in and pull a tent permit under our company name? Just want to make sure before I take the time to bid the job.**

The only requirement for the permit is that the company be a licensed State of Georgia Contractor.

- 2. Is a GC License required to bid on this project?**

Per the specifications, to qualify bids for consideration a Licensed State of Georgia Contractor will be required for the project.

- 3. Are any permits required by the county to complete this project?**

Per the specifications, contractor shall obtain all necessary permits to perform the work and arrange for inspection by authorities having jurisdiction.

- 4. Are the footings for the shade structures to be “in ground” or “pier mount”?**

Engineered stamped specifications and drawings should include “in ground” footings for the shade structures.

5. I am checking to see if there are formal drawings available for the Playground Shades for Kenwood Park.

No, Per the specifications,

- For qualifying bids to be considered potential vendors has to have the ability to design , engineer, manufacture, and erect the fabric shade structures including the foundations
- Custom design and installation of two (2 separate shade structures...
- All submittals should be 2D and 3D color factory drawings accurate to scale
- The successful contractor will be required to provide the following:
 - Engineered/Stamped Plans
 - Statement of Special Inspections

Received by _____ Company _____
