Subject: #1870-B Micro Surfacing - Addendum #1

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced Request for Quotes. You will need to consider this information when preparing your quote.

1. **Will a continuous paver be required for this project?** The contractor shall use a continuous paver.
2. **Is the micro surfacing a TYPE I or TYPE II?** The Micro surfacing shall be a Type II.
3. **Why a 3 year warranty? The warranty is very vague.** Fayette County is relatively new to Micro Surfacing compared to our traditional method of asphalt overlay. In order to help transition our citizens to this pavement alternative we are requiring that contractor warranty their work up to 3 years.
4. **Who will be determining what pre-mature wear is?** The Road Department defines premature wear as the Micro surfacing layer wearing away within 3 years to the original pavement.

Received by (Name): _____ Company _____

Note: If this addendum is not returned to the Fayette County Purchasing Department or if it is returned not signed, responding individuals, companies or other organizations will still be responsible for the requirements of this addendum and the specifications or changes herein.

The opening date for this ITB has not changed. **The bids are due by 12:00pm, Thursday, October 8, 2020, with an opening time of 3:00 p.m.** Quotes must be received by the Purchasing Department at the address above, Suite 204, at or before the opening date and time.

Questions regarding this solicitation will be accepted until 2:00 p.m., Wednesday, September 30, 2020. After that, we will not be able to respond to any inquiries about this project.

If you have questions, please contact Sherry Poorman, Contract Administrator at (770) 305-5314 or fax (770) 719-5544 or email at spoorman@fayettecountyga.gov.

Sincerely,

Ted L. Burgess
Director of Purchasing
